

Dear Sir / Madam,

It gives me immense pleasure to extend our cordial invitation to your organization to participate in the Campus Recruitment Program of our institute. Your unique presence on the industrial and technological map of the nation and our emphasis on Institute-Industry interaction and sustained relations can serve as a beneficial program and a great opportunity for the budding talents and intellectual capital of the nation. On this account we look forward to your association.

An Institute of national eminence, National Institute of Technology, Rourkela was established in the year 1961. With a glorious history of more than half-a-century, the erstwhile Regional Engineering College (REC) joined the prestigious fold of the National Institutes of Technology in the year 2002 and from thence became an Institute of National Importance in 2007. The main objective of the institute since its inception has been to produce quality engineers and scientists in graduate and post-graduate levels in various branches of engineering and science. The institution is proud of its alumni who have distinguished themselves and occupied enviable positions in many Government, Private and Multi-national organizations.

It would be worth mentioning that NIT Rourkela has received commendations from different forums for its academics, students' performance, research outcomes and developmental activities. Ranked an All India **8th** in Academics and **12th** overall amongst IITs, NITs and other technical universities by Dataquest for the year 2010, NIT Rourkela has recently been awarded the **Outstanding Engineering Institute (East)** and **Best Engineering College (B-School awards)** by Star News and the **Think Orissa Leadership Award** in recognition of leadership, development, marketing and institute-industry interface.

I am forwarding you our Placement Brochure, providing a profile of the institute, detailing the student base and various programs / courses offered by the departments and the contacts. Alternatively you may download the brochure using ..... I would further like to mention that we are equipped with all necessary facilities for written tests, group discussions, personal interviews, audio visual presentations, video conferencing, excellent internet connectivity for on-line tests and a system for uninterrupted power supply. It would be our proud privilege to host the selection team, arranging hospitality suite for accommodation. You may also have a virtual tour of our institute by visiting our website [www.nitrkl.ac.in](http://www.nitrkl.ac.in)

For your quick reference, the following are the programmes offered at our institute: -

<b>B. Tech. &amp; M. Tech.</b>	<b>M. Sc.</b>
