

Research Scholars Week (RSW) May 11-13, 2015

..... *Celebrating Innovations in science and technology*

NIT Rourkela is organizing Research Scholars Week (RSW) during May 11-13, 2015. This will be the first event of its kind in the history of NITR for all the research scholars of the Institute with an aim to showcase research being carried out at our Institute and facilitate knowledge sharing, seamless interactions among budding researchers of varied disciplines of the Institute that will instil motivation, confidence and research endeavour in their minds.

With this motivation, RSW is being planned whereby research scholars who have completed 3 years as on 28/02/2015 will have to showcase their work through posters, software/hardware demonstration, and list of achievements (publications/patents) certified by the supervisor etc in Rajendra Mishra Exhibition Hall as per the given schedule. Each day will witness expert lecture by eminent researchers in broad thematic area followed by poster presentations. The best posters selected from first two days will be given an opportunity to present again on the final day, where a global selection will be made and the best presentation will be awarded “**Research Scholar of the Year**”. The best presentation from each department will also be given a “**RSW Award**”.

Programs

Each day will witness expert lecture by an eminent scientist/engineer in broad thematic areas followed by poster presentations as per the below schedule:
