## Application Form

DST-SERB Sponsored Workshop

On

Basic Gene Cloning and Transgenic Techniques

(Feb 24<sup>th</sup>-25<sup>th</sup> 2024)

**About the workshop:** The workshop will be highly specific toward molecular biology techniques namely Basic Gene Cloning And Transgenic Techniques will be discussed and performed. Against this backdrop, a two-day Workshop is envisaged under the SERB Scientific Social Responsibility (SSR) Policy to acquaint researchers/faculty members of the institutes/ universities/colleges to further update their respective clientele. Both lectures and hands-on practical shall be arranged on the topic.

**Who can apply:** Researchers/ faculty members from any bioscience stream of the university and nearby colleges are eligible to apply. The number of participants is limited to 25 only.

**How to apply:** Complete the application form in the prescribed format which should be forwarded by the competent authority and should reach the organizing secretary [sahub@nitrkl.ac.in](mailto:sahub@nitrkl.ac.in) on or before February 20, 2024.

**Registration fee:** There is no registration fee for the workshop.

**Travel:** Traveling allowance will not be provided by the organizers. Participants have to make their own arrangements.

**Food and accommodation:** Refreshments and a working lunch will be provided to the participants during the program. Accommodation is limited & guest house will be provided based on availability for only participants from outside Rourkela. Charges for the accommodation will be borne by the participants.
