

## **SHRI SUDHIR VASUDEVA**

Shri Vasudeva is the Chairman and Managing Director of Oil and Natural Gas Corporation Ltd (ONGC), and Chairman, ONGC Group of Companies. ONGC is India's most valuable Maharatna public sector enterprise and one of the premier exploration and production companies of the world. He is also the Chairman of ONGC Videsh Limited (OVL) which operates across 16 countries.

A Gold Medalist in Chemical Engineering from NIT Raipur, Shri Sudhir Vasudeva joined ONGC as an executive trainee in 1976. He steadily worked his way up the corporate ladder with the majority of his assignments in offshore oil-fields. He was one of the first generation of engineers specifically identified and entrusted with the task of creating infrastructure to produce oil and gas from offshore fields. With over 35 years' experience on the larger canvas of ONGC, including 19 years of managing the Bombay High, ONGC's largest oil producing fields, Shri Vasudeva is one of the finest technical brains of contemporary Oil and Gas business in India.

Shri Vasudeva is the Chairperson of the Council of the Indian Society of Petroleum Engineers (SPE) as well as Director at large in SPE International Board of Directors, a first by any Indian. He steered the Offshore Joint Venture segment of ONGC's Operations and tried to improve recovery from ageing Bombay High fields. He has been a Non-Executive Director of Petronet LNG Limited since November 21, 2011. He also serves as a Director of Pawan Hans Helicopters Ltd. Shri Vasudeva, as President of Global Compact Network, India is the first business leader from an Indian Public Sector Enterprise to be a Member of the Board of the United Nations Global Compact. Shri Vasudeva has been conferred with Distinguished Fellowship of Institute of Directors, CEPM-PMA Fellowship for Excellence in Project Management in December 2011, and Honorary Fellowship of the Indian Institute of Chemical Engineers (IICChE) in December 2012, Honorary Lifetime Fellowship from AIMA in September 2012 and Fellowship of Indian National Academy of Engineering (FNAE) with effect from January 2013. Shri Sudhir Vasudeva also won

the SCOPE Excellence Award for Individual Leadership in the Maharatna/Navaratna public sector enterprises category for 2013.

Shri Vasudeva has been presented with the Outstanding Achievement in Exploration & Production Award by Chemtech Foundation in February, 2012, the FGI Ratna by Federation of Gujarat Industries Ltd, 'Enertia Man of the Year' Award in Oil & Gas category - in the 6<sup>th</sup> Enertia Foundation Award ceremony held on 22<sup>nd</sup> November, 2012, 'Pride of Nation' Award by Doon Citizens Council, Dehradun in January 2013 and NDTV Profit Business Leadership Awards 2012 in Oil & Gas Sector in April 2013.

Shri Vasudeva has charted and is personally driving a Perspective Plan 2030 to maintain ONGC's leadership position in the Indian energy sector in coming decades. This plan proposes, among other things, to double the production, treble the revenue and quadruple the market capital of the corporation by 2030.

Shri Sudhir Vasudeva, as Chairman of Petrotech Society, champions active Industry-Academia relationship through various active associations with the academia. He is the Chairperson of the Board of Governors of NIT, Raipur; Special Invitee in the Board of Governors of Pandit Deendayal Petroleum University, Gujarat; Member in the Board of Doon University and a Member of the CSIR Society. An enthusiastic supporter of sports, Shri Vasudeva is also the President of All India Public Sector Sports Promotion Board.

Shri Vasudeva was at NIT Rourkela as Chief Guest in the XI Convocation. Held on 18<sup>th</sup> January, 2014.
