SEQUENCE OF CONTINUATION OF SEMESTERS FOR WEAK STUDENTS

The Senate, vide Resolution No. Senate-96[2020]-05 dated 13/11/2020 has decided the following as one time measure for the Academic Session 2020-21 in view of the COVID pandemic:

The students, who were supposed to be terminated or repeat first year after summer examination of AY 2019-20, have been allowed to register for the next semester in the current Autumn semester of 2020-21 as one-time measure since summer course could not be conducted for them during AY 2019-20.

Such students are hereby allowed to repeat their first year courses along with the newly admitted batch of 1st year UG students from Dec 1st, 2020. As these students will complete their 3rd Semester by the end of AY 2020-21, the overall CGPA including 3rd Semester result should be taken into consideration for deciding their termination/continuation. Those who will not be terminated, they will register for UR courses (and any other subjects to improve their CGPA in consultation with their Faculty Advisors) of 3rd semester in Autumn 2021-22 and other repeat papers (if any) of 1st semester.

This is issued with the approval of Competent Authority.
