

**Department of Food Process  
Engineering  
National Institute of Technology  
Rourkela, Odisha**

**TEQIP-III Sponsored  
Two Days Webinar on**

## **RECENT TRENDS IN FOOD PROCESSING AND PRESERVATION**

**September 26-27, 2020**

**Industrial Partner**

# **Recent Trends in Non-Thermal Food Processing Technologies**

## **About the Webinar**

Food security can be attained by ensuring reduction in food losses and maintenance of food quality, wherein post-harvest processing and preservation techniques and efficient food quality assessment methods play major roles. This webinar will present an amalgamation of the contemporary industrial experience and methodologies employed in the sectors of post-harvest techniques and quality assurance, along with the state-of-the art research being conducted worldwide by some of the best research groups working in these sectors.

## **Webinar Theme**

- Impact of innovative state-of-the art technologies on reducing post-harvest losses
- Importance of optimization in food processing
- Importance of quality assurance in dairy industry

## **About NIT Rourkela**

NIT Rourkela is one of the premier national level institutions for technical education in the country and is funded by the Government of India. The main objective of the Institute is to produce quality Engineers and Scientists at Graduate and Post-Graduate levels in various branches of Engineering and Science. The campus is situated at the eastern end of Rourkela steel city, beyond Sector-1 over an area of 262 hectares of land provided by the Government of Orissa. The Food Process Engineering Department at National Institute of Technology, Rourkela blends engineering disciplines with a strong understanding of Food Science and Technology and offers B. Tech, M. Tech. and Ph.D. in Food Process Engineering discipline.

## **Organizing Committee**

**Patron :** Prof. Animesh Biswas,  
Director, NIT Rourkela, Odisha  
**Chairman:** Prof. R. C. Pradhan,  
HOD, Food Process Engineering  
**Coordinator:** Prof. C. R. Patra,  
Coordinator, TEQIP III  
**Convener:** Dr. Rachna Sehrawat, Asst. Professor  
**Co-Convener:** Dr. Winny Routray, Asst. Professor
