Short Term Course On

Project Management for Development Professionals and Researchers (PMDPR)

(25th to 29th June, 2018)

Organized by:
Department of Humanities & Social Sciences,
National Institute of Technology,
Rourkela – 769 008 (Odisha)

Introduction

Managing projects is a key requirement for the success of a development intervention. The absence of the necessary managerial skills is plaguing the development projects despite huge investment of resources. This is reflected in sub-optimal project outcomes and dissatisfaction both among the target groups and donor agencies. The need of the hour is to equip development professionals with the necessary skills to take up the challenges in the field in an effective manner. In this context, this Short Term Course (STC) is designed to meet the need for skill building among the professionals working in the development sector.

Course Contents

- ✚ Conceptualization of project
- ✚ Detailed Project Report (DPR) preparation
- ✚ Proposal Development
- ✚ Budgeting, HR Planning, Fund Mobilization, designing project and Procurement
- ✚ Participatory Needs assessment – Stakeholder Analysis, PRA and Micro Plan
- ✚ Baseline Survey
- ✚ Project Implementation
- ✚ Programme Monitoring, Evaluation and Impact Assessment
- ✚ Project Management Tools – PERT and Gantt Chart
- ✚ Fieldwork and Report Writing

For Whom

Young professionals working in the development sector and research scholars pursuing PhD are expected to participate in the course.

Registration Fees

- **Outstation Participants – INR 3500/-**
- **Local Participants – INR 2000/-**

The payment is to be made by demand draft drawn on any Nationalized Bank in favour of **“Director, NIT, Rourkela,”** payable at **SBI, REC Campus Branch, Rourkela (Code: 2109).** The registration fee is non-refundable.
