About INFLIBNET

The Information and Library Network (INFLIBNET) Centre is an autonomous Inter-University Centre (IUC) of the University Grants Commission (UGC) located in the Infocity, Gandhinagar. Major activities and services of the Centre are geared towards modernization of academic libraries and information centres, promotion of information transfer and access, support scholarship, learning and academic pursuits. The Centre acts as a nodal agency for networking of libraries and information centres in universities, institutions of higher learning and R & D institutions in India. The Centre was established as an independent autonomous Inter-University Centre of the UGC in May 1996 and set out to be a major player for promoting scholarly communication among academicians and researchers across the country. With technology being a driving force in the contemporary education system, the INFLIBNET Centre has taken up a number of initiatives for the benefit of the academic community in India.

About NIT Rourkela

Established in 1961, the National Institute of Technology Rourkela (NITR) is one of India’s premier institutions of higher learning in science, engineering, and management. Declared an Institute of National Importance under the NIT Act, 2007, NIT Rourkela is a centrally funded institute under the Ministry of Education, Government of India. With 20 academic departments, the Institute offers a wide spectrum of undergraduate, postgraduate, and doctoral programs across engineering, architecture, science, humanities, and management. NITR is consistently ranked among the top engineering institutes in the country (13th rank in NIRF 2025) and is recognized for its strong emphasis on cutting-edge research, consultancy, and innovation. The Institute has over 420 faculty members and attracts some of the brightest students nationwide, nurturing talent for leadership in industry, academia, and research. With more than 63 years of excellence and over 31,000 alumni contributing globally, NIT Rourkela continues to advance knowledge, foster innovation, and serve as a hub of technological and scientific progress. The Biju Patnaik Central Library, the main library of NIT Rourkela, serves the academic and research needs of the institute's community. It offers a wide array of information resources and services, supported by state-of-the-art technologies.
