Organized by

**IICHe Students' Chapter
Rourkela Regional Centre**

&

**Department of Chemical Engineering,
National Institute of Technology Rourkela**

ORGANIZING INSTITUTE

National Institute of Technology, Rourkela is a premier institution of India for higher technical education, basic and applied research. Presently, NIT Rourkela is recognized as institute of national importance with its enriched faculty and students. The institute has twenty two departments and nine multidisciplinary centres that offer UG, PG and research courses leading to B.Tech, M.Tech., PhD and D.Sc. Degrees. The institute is stretched over 647 acres with a lush green carpet and surrounded by the lineage of Vindhya and Satpura mountain range.

CHEMICAL ENGINEERING DEPARTMENT

From a modest beginning in July, 1963, the department of Chemical Engineering at NIT Rourkela has completed 51 years of its glorious journey. Over these years, this department has been nurturing and shaping the young and creative minds at various levels (graduate, post-graduate and Ph.D) into most effective human resources, the country can boast of. This journey has been phenomenal with the priceless contributions of some of the best teachers, state-of-the art infrastructural facility, and an excellent academic atmosphere. The Department has been active in organizing national seminars, workshops, symposia, short term courses and winter and summer schools to provide platforms for exchanging ideas, facilitating interaction among the peer academicians and the professionals from various universities, industry and R&D organizations. The faculties and students are encouraged and supported for participating in technical events in India and abroad.

IICHe Rourkela Regional Centre

Since its inception, IICHe Rourkela Regional Centre (IICHe RRC), is very active. The RRC is regularly conducting various events like training sessions, workshops, seminars, conferences etc. for the benefit of the Indian industries and the academia.

M. P. CHARY AWARD

The awardee has to be an outstanding young chemical engineer below 35 years of age, doing PhD or completed PhD in last year who will be required to make a presentation on his research work. The award carries M. P. Chary Medal and a prize money of Rs 10,000/-.

SCHEMCON-2017

SCHEMCON, Students' Chemical Engineering Congress, is an annual event organized by the Students' Chapter of Indian Institute of Chemical Engineers (IICHe) under one of its Regional Centers. It provides a platform for the Chemical Engineering Students to interact, learn and gain exposure to the expanding arena of Chemical Engineering. SCHEMCON-2017 is the 13th Annual Session of this mega event. It is being organized jointly by the IICHe Students' Chapter at the Department of Chemical Engineering, National Institute of Technology Rourkela and the IICHe Rourkela Regional Centre (IICHe RRC), Odisha.
