

2nd IEEE International Conference on Smart Power Control and Renewable Energy (ICSPCRE-2026)

(Conference Record No. 71188)

4th – 6th December 2026

Organized by
Department of Electrical Engineering
National Institute of Technology Rourkela

About the ICSPCRE-2026:

2026 2nd IEEE International Conference on Smart Power Control and Renewable Energy (ICSPCRE-2026) will be held from 4th to 6th December 2026 in hybrid mode. ICSPCRE-2026 aims to bring together academicians, researchers, and industry professionals to exchange ideas and foster collaboration in the areas of smart power control, renewable energy systems, power electronics, electric vehicles, and sustainable energy technologies. The conference is jointly organized by the Department of Electrical Engineering, NIT Rourkela and the IEEE Student Branch – NIT Rourkela, in association with the IAS and PES Joint Societies Chapter-Rourkela, Kolkata Section IES Chapter-Rourkela. IEEE Rourkela Subsection, IEEE Kolkata Section and also, technically co-sponsored by IEEE PES, IAS and IES societies.

About NIT Rourkela:

National Institute of Technology Rourkela is a premier Government of India institution for technical education. Formerly a Regional Engineering College, it is now a deemed university known for excellence in engineering and science education. The institute offers high-quality undergraduate and postgraduate programs and is recognized for its strong research and international collaborations. Spread over 262 hectares, the campus provides a vibrant academic environment in the industrial city of Rourkela and is well connected by rail and road. More info: www.nitrkl.ac.in

Technical Tracks:

- Track 1:** Smart Grid Architectures and Control
- Track 2:** Energy Storage Technologies and Management
- Track 3:** Renewable Energy Integration
- Track 4:** Power Electronics and Machine Drives
- Track 5:** AI and Data-Driven Power System Solutions
- Track 6:** Electric Vehicles and Charging Infrastructure
- Track 7:** Communication and Cyber-Physical Systems
