A. GENERAL AND PROCEEDURAL MATTERS

BOG – 6 (2005) – 1: Welcome to the members (including new members) and invitees by the Chairman.

The Chairman welcomed all the members and invitees including the new members Prof G Panda and Prof K R Patel. The Board recorded its appreciation of the service rendered by the outgoing members Prof B K Rath and Prof B Pradhan.

The members condoled the passing away of Late Binod Kumar Gupta on 14.08.04, Ex-Member, BOG and Smt. Ila Panda on 11.01.05, Ex. M.P and noted personality of Orissa.

BOG – 6 (2005) – 2: Confirmation of the minutes of 5th meeting of the BOG.

The minutes of 5th meeting were sent to the members vide letter No. NITR/PS.5 (ii)/2004 dated 13.09.2004 inviting comments on the correctness of recording. No comments have been received.

The minutes of the 5th Meeting of BOG held at Hotel Hyatt Regency, New Delhi on 12th August 2004 were confirmed.

BOG – 6 (2005) – 3: To report on the actions taken and discuss matters arising out of the minutes of the 5th meeting of the BOG.

The actions taken against the minutes of BOG-5 (2004) were discussed in detail and were approved. (Annexure-A1)

F.C.-4(2004)-5(c) : Regarding 50% merger of DA/DR. It was decided that Director and Registrar will take up with MHRD regarding rationalization of pay scales and the merger should be implemented after finalization with MHRD.

BOG – 5(2004)–5(c): To consider the case of four faculty members recommended by Selection Committees for promotion under CAS by counting the long service rendered before adoption of 5th pay commission recommendations.

- ✓ 1. Dr. B.K. Pal, Mining Engg. (For Professor)
2. Dr. M. K. Mishra, Mining Engg. (For Assistant Professor)
3. Dr. D. R. K. Parhi, Mechanical Engg. (For Assistant Professor)
4. Prof. Alok Satpathy, Mechanical Engg. (For Lectures (SG))

✓ The Board examined the information on faculty promotion under CAS and resolved that Dr D R K Parhi (ME) and Dr M K Mishra (MN) be promoted to post of Assistant Professor. The Board noted that Prof B K Pal and Mr Alok Satpathy do not satisfy the requirements for CAS promotion.

BOG-5 (2004) – 9(b): To discuss the applications of Sri Anil K Tiwari, and Sri C S Rout recruited on compassionate ground as temporary worker with consolidated pay.

The Board once again discussed the representation of Sri Anil K Tiwari and Sri C S Rout, and the representation from NTEA, and resolved that Sri Tiwari and Sri Rout are not eligible for regularization under compassionate ground. The Board advised the Director to settle the outstanding dues of their late fathers and to see that they surrender the quarters occupied by them.

BOG-5 (2004)-12 : To consider the recommendation of the Screening Committee for deciding date of superannuation of non teaching employees constituted vide Ministry's letter No. . F.20-11/2003-TS. III dated November 12, 2003 The Committee, in its First Meeting held on 23.07.04 at NIT Campus, considered superannuation of 22 employees and recommends retirement of

- (1) Shri Golap Lohar
- (2) Shri Juba Oram
- (3) Shri Dhanajay Kumar

at the age of 58. The retirement of all others considered has been set at 60 years of age. The BOG is requested to take into consideration the decisions of other NITs in this regard.

The Board considered the representation from the NTEA on the subject to screening for early retirement and resolved that process directed by MHRD will continue. The draft norms given in Annexure-A2 were approved.

BOG – 6 (2005) – 4: To discuss the recommendation of the minutes of the 1st and 2nd Management Committee Meetings held on 27.09.2004 and 14.12.2004 put up on the table respectively.

The recommendations of the 1st and 2nd Management Committee Meetings Discussed and approved. (Annexure-A3)

BOG – 6 (2005) – 5: To discuss and approve the Budget for 2005-06.

The Budget for the year 2005-06 was approved. (Annexure-A4)

The Board advised the Director to prepare a comprehensive five year proposal for improvement of the Institute and submit to MHRD for funding.

BOG – 6 (2005) – 6: To discuss and approve the minutes of the 3rd meeting of ~~Building & Works Committee held on 5th January, 2005 at NIT, Rourkela including the draft contract procedure.~~

The discussion on the minutes of the 3rd meeting of Building & Works Committee held at Board Room, NIT Rourkela on 5th January, 2005 was deferred because of the special audit being carried out on matters related to building and works.

B. ADMINISTRATIVE MATTERS (PERSONNEL)..

BOG – 6 (2005) – 7: To discuss matters related to strike by Class-III and Class-IV employees in the light of the recommendation of the Management Committee.

The Board took a serious view of the illegal strike called by NTEA and Class-IV Employees Association during November 11-16, 2004. To discourage recurrence of such irresponsible action on the part of the employee associations, the Board decided on the following punitive measures. (Annexure-A5)

Category of Staff	Brief description of group	Loss of Pay	Additional measures
1	No strike	NIL	NIL
2	One day only (11.11.04)	One day	NIL
3	> 1 day	Number of days absent including intervening off days and holidays	Stoppage of increment for one year
4	Security Personnel on strike	All days absent including off days falling in between	Stoppage of increment for 2 years
5	Coordination Committee members	-do-	Stoppage of increment for 2 years
6	Association functionaries who gave strike call	-do-	Stoppage of increment for 3 years
7	Persons involved in threatening on 10.11.04	-do-	Stoppage of increment for 3 years

The stoppage of increment will be temporary and the originally scheduled pay (inclusive of increments) will be restored on completion of penalty period without payment of arrears.

The Board also considered the report of the Prof B K Rath Committee (Annexure-A6) and subsequent clarifications of confusion on the incident of indiscipline on November 10, 2004. The Board accepted the conclusion that Sri N K Bisoi, Mechanical Gr-III, Department of Mechanical Engineering and Sri A K Routray, temporary employee under the PD Cell are guilty of gross misconduct. The Board resolved that Sri Bisoi be given penalty as per group 7 of above table and that Sri Routray's service need not be obtained any further.

The Director and Registrar were directed to prepare the list of employees under various categories, implement the punitive measures approved, and report to the Board in its next meeting.

It was reported to the Board that 15 temporary workers having qualification of Diploma in Engineering, Graduate and Post Graduate degree and 12 workers having qualification of I.T.I were given contractual appointment till 30th June, 2005. 12 persons

without having, post matric qualification were helped to obtain jobs with outsourcing agencies. These are the rehabilitation measures taken according to the resolution of the Board in its 5th meeting.

BOG – 6 (2005) – 8: The report on the status of the case filed by 30 earlier NMR/Consolidated workers at the Hon'ble High Court of Orissa.

It was reported to the Board that 30 (NMR & Consolidated) former workers filed three separate cases in the Hon'ble High Court of Orissa. The Hon'ble High Court heard the preliminary arguments on 10th of January, 2005. The Hon'ble Court directed that the NIT authorities are at liberty to take action pursuant to Board decision. However, any action taken by the NIT authority pursuant to the above decision shall abide by the result of the writ petitions. (Annexure-A7)

BOG – 6 (2005) – 9: To consider the regularization of the services of those workers who have been recruited through open advertisement of regular posts, selected through duly constituted Selection Committees, but still hired as NMR/Consolidated workers as per the recommendation of Scrutiny Committee.

The Board considered the cases of 2 temporary employees Sri Satyajit Sarangi and Mrs Anusaya Panda who had been recruited against open advertisement by the due process of law, but were given temporary assignments by the Administration. On the basis of legal advice, it was decided to regularize the services of Sri Satyajit Sarangi, Junior Assistant-cum-Typist (Consolidated) and Mrs Anusaya Panda, Junior Assistant-cum-Typist (Consolidated), with effect from the date of the BOG meeting. The Registrar was directed to issue appointment letters in this regard and report in the next meeting of the Board.

BOG – 6 (2005) – 10: To discuss and decide on the status of NTMIS Nodal Center and EDP.

These two entities are sponsored by external agencies. It is proposed to consider the NTMIS Nodal Center, which is a project sponsored by AICTE to be administered under SRICCE. The EDP project sponsored by DST has ended. The officer under EDP may be put under Dean (SRICCE) to conduct short term and long term Training programmes of NIT personnel and to conduct short term courses for others. Necessary corrections to be incorporated in the MOA.

The Board considered that functioning of the NTMIS Nodal Center and the EDP which have been listed as Centers of the Institute in the MOA with the Ministry at the time of conversion of REC to NIT.

The Board noted that the NTMIS Nodal Center is a project funded by AICTE and not a permanent constituent of the Institute. The Board resolved that the project shall be administered as a project under SRICCE, like any other project. Temporary staff employed in the project with undefined tenure will be put under contract for a

period of one year with opportunity for fresh contract if the project continues.

The EDP was a project funded by the Department of Science and Technology, which is over long ago. Since the project coordinator continues to be a de-facto Institute employee, it was decided to continue the activities as a separate unit. It was resolved that the EDP will be an in-house programme under the SRICCE cell. It will be a self-financing activity following the normal rules of the Continuing Education Programme. Dean(SRICCE) will function as the Head of the Department for administrative purposes.

Sri R K Sinha will be the Programme Coordinator. While the Continuing Education rules permits faculty members to be paid a remuneration for CE activity over and above their salaries, Mr Sinha will not receive any extra remuneration either as a teacher or as a coordinator, because Entrepreneurship Development is his primary function. EDP shall have no staff other than Mr R K Sinha, permanent or temporary.

BOG – 6 (2005) – 11:Regularization of service of Mr R K Sinha, Project Co-ordinator under EDP.

Considering the de-facto permanent status of Mr Sinha, it was decided to regularize the services of Mr R K Sinha currently working as Project Co-ordinator under EDP. The details of the case will be sent to the MHRD for their perusal and records.

BOG – 6 (2005) – 12:To consider the past service (4 years 10 months period i.e. 3 years Study Leave and 1 year 10 months EOL) of Dr Ashok Kumar Sahoo, Professor, Civil Engineering Department for terminal pensionary benefits.

The Board did not condone the break in service of Dr Ashok Kumar Sahoo, Professor, Civil Engineering department for calculation of terminal pensionary benefits.

BOG – 6 (2005) – 13:To discuss regarding the delegation of power of Director to the seniormost Dean during his absence (leave/tour etc.) in the Institute.

The Board considered the procedure for delegation of charge in the absence of the director and Deans. It was resolved that in the absence of the Director, delegation of charge as acting director will be given to the deans in the order of their seniority. If no dean is available it will go to the seniormost professor, and to other professors in order of seniority.

When a Dean is absent, he may handover charge to any other Dean or to the Director.

C. ACADEMIC MATTERS

BOG – 6 (2005) – 14: To change the name of Electronics and Instrumentation Engineering Department to “Electronics and Communication Engineering” and to increase the student strength of Electronics and Communication Engineering and Computer Science Engineering Departments.

The Board accepted the proposal for renaming of “Electronics and Instrumentation Engineering Department” as “Electronics and Communication Engineering” and approved the increase the student strength of Electronics and Communication Engineering Department from 30 to 60.

As recommended by the Senate, there shall be 2 BTech courses:

- (i) Electronics and Instrumentation Engineering with intake strength of 30, and
- (ii) Electronics and Communication Engineering with intake strength of 30.

The Director was advised to obtain the approval of MHRD and AICTE if so asked by MHRD.

For the Computer Science and Engineering Department the number of seats in BTech degree will be increased from 30 to 60. The Director was advised to seek approval of MHRD. The Senate will discuss and recommend to the Board regarding the necessity of continuing MCA programme after the seats are increased.

BOG – 6(2005) – 15: Representation of the student in the Senate.

As per the recommendation of the TEQIP governing body under World Bank funding there should be a representation of students in the Senate. The Board may discuss and find out the modality of student representation.

The Board approved the representation of students in the senate one each from under graduate, post graduate and Ph.D. programmes. The Director was advised to seek consent of MHRD before implementation.

~~**BOG – 6(2005) – 16:** To consider an amendment to SRICCE rules on distribution of revenue generated by testing services etc.~~

The Board approved in principle the amendment to SRICCE rules on distribution of revenues generated by testing services etc. Director was advised to follow the rules prevalent in IITs.

D. MISCELLEANEOUS ADMINISTRATIVE MATTERS

BOG – 6 (2005) – 17: To consider the proposal from Rourkela Municipality for construction of a second Community Hall at NIT Campus.

The Executive Officer, Rourkela Municipality vide letter no. 3119 dated 28.9.2003 has intimated that Sri Dilip Ray, Hon'ble Member of Parliament has proposed to construct a Community Hall inside the REC Campus (now NIT Campus) near the existing Hanuman Temple. An amount of Rs. 1,50,000/- has been earmarked towards the cost of the Community Hall.

It may be stated that the NIT is counted as private property in the eyes of law. Any construction by any other party requires approval by the Board of Governors. Because the proposed community Centre is in the proximity of a religious building, the Board may consider this subject along with a policy of construction of religious buildings in the campus.

The Board considered the related issues of :

- (a) offer of Rourkela Municipality to construct a Community Hall adjacent to the Hanuman Temple, and from MPLADS funds
- (b) construction and management of places of worship on campus.

The Board noted that (a) there was no need for a second community center for the small population of NIT, (b) further construction near unauthorized places of worship carry the potential for law and order problems, and (c) larger congregation of people on a major road will create traffic congestion, safety problems and security problems caused by outside visitors. While appreciating the magnimous gift by the Hon'ble Member of Parliament, the Board expressed its inability to accept the same keeping in mind the long term interest of the community. In case the employees feel the need for a second Community Hall, the Board will consider building one at a different location from Institute funds. The Director was advised to communicate the decision of Board to Rourkela Municipality and Mr Dilip Ray, the Hon'ble Member of Parliament who has offered the work from his MPLADS funds.

The Board took a very serious view of the unauthorized ~~construction of the Shiva Temple~~, ignoring the clear directive to ~~the contrary by the REC BOG in its 99th Board meeting held on 28.01.2001.~~ The Director was advised to ensure that further construction was stopped immediately, and to communicate the Board's decision to the officials concerned with the subject and persons responsible for unauthorized construction of the temple. (Annexure-A8)

BOG – 6 (2005) – 18: Any other item with the permission of the chair.

(a) GIS scheme for employees of NIT Rourkela

The Board appreciated the need for a new group insurance scheme (GIS) for the employees in lieu of the old scheme from the Government of Orissa. The Director and Registrar were advised to finalize the new GIS scheme for the employees out of the two candidate companies (LIC and SBI Life) in consultation with representatives of the faculty and staff.

The meeting ended with thanks to the Chair.

Suggestion for norms to decide whether an employee will retire at the age of 58 or continue till age of 60.

- (1) The Committee to recommend retirement age will be constituted as per directive of MHRD.
- (2) The Committee will consider all available records including personal file, service book, confidential reports and report by supervising officers written specifically for the benefit of the Committee.
- (3) The recommendation will be based on the subjective decision of the Committee. The Committee is not required to give justification for its subjective opinion.
- (4) Ordinarily, an employee will be recommended for retirement at the age of 60 years, except when early retirement is in the interest of the Institute.
- (5) Those with CR point 6 out of 10 or lower in 2 years out of the past 5 will retire at 58. Employees with better CR score may also be recommended for early retirement, if other considerations dictate so.
- (6) In case the supervising officer(s) feels that the employee is not contributing enough to the Institute or that the job can be performed perceptibly better by outsourcing, the employee will be given early retirement, except where alternative placement can be worked out.
- (7) Employees suspected of corrupt practice, non-cooperation with supervisors, colleagues or administration, lack of interest in work, may also be allowed to retire at 58 instead of 60. The perception of the Committee need not be proved to recommend early retirement.
- (8) Workers with qualifications lower than that required for the post (holding the position by virtue of long experience in lower position) are likely to be given early retirement, except where the Committee finds that the worker has acquired knowledge and skill at par with the required qualification.
- (9) Workers will be given opportunity to :
 - (a) present their plea for normal tenure in writing, and
 - (b) to meet the Committee in person and present their cases.

But such representation in paper or in person is not compulsory. If a worker chooses not to write or meet the Committee, the Committee will work on the basis of information available to it.

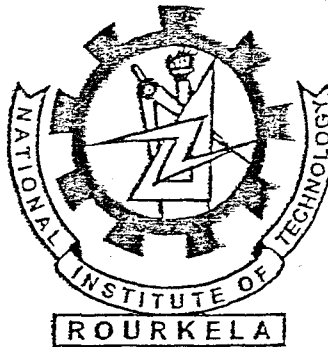

- (10) Health condition, capability to perform one's normal duties shall be a consideration, particularly in case of Group D workers. Workers will be given opportunity to meet the Committee and discuss how they address to health and capability issues. If the worker chooses not to meet the Committee, the Committee will work on the information available to it.
- (11) The recommendation of the Committee will be put up to the BOG. The Board's decision will be final.

MC: 1 (2004) – 1: Welcome to the members by the Chairman.

At the outset, Dr. B. Panda, Chairman of the Management Committee Meeting, welcomed the members and introduced them to the Committee. He also highlighted the objectives of the each of Management Committee Meeting.

MC: 1 (2004) – 2: Review of Transfer of Land in the name of N.I.T., Rourkela.

MHRD vide letter No.F.20-7/2004-TS-III dt.22.06.2004 has directed to regularise the land records in the name of NIT Rourkela. The matter has been taken up with the A.D.M. and Tahasildar, Rourkela. The ADM, Rourkela visited NIT Rourkela and reviewed the position. The Tahasildar, Rourkela and his team visited NIT Campus and made a survey of the Campus. They assured that they would send a report to land allocation committee which is likely to meet in Nov. 2004. The matter has also been discussed with R.D.C., Sambalpur. Registrar will meet him separately requesting for early regularisation. In this regard a letter has also been issued by Joint Secretary, Industries Department, Government of Orissa vide Memo No.12389/I dated 20.7.2004 directing RDC, Samalpur, Collector, Sundargarh and ADM, Rourkela for early implementation of transfer of land. However, Chairman assured the members that he will take up this issue with Mr. A.K. Tripathy, Development Commissioner, Govt. of Orissa.

MC: 1 (2004) – 3 Review of the Position of unauthorized hutments inside NIT premises and working out a strategy for combating this problem.

Chairman informed that the issues should be taken up by the Director with local administrative authorities as per BOG guidelines.

~~MC: 1 (2004) – 4: To review of financial position of the Institute and to find means of improving it.~~

The financial position of the Institute was reviewed for both Plan and Non-Plan expenditures. The sanctioned amount for Non-plan and Plan grant is Rs.10.2 crores. Based on the projected expenditure under this scheme a shortage of Rs.2.6 crores has been shown. Similarly under the Plan scheme

— ~~SECRET~~ —

a shortfall of around Rs.4.00 crores has been projected. This shortage is due to the fact that letter of credits (LCs) were opened in the Financial year 2003-2004 and actual payment has been made in 2004-05. The Committee recommended that separate request letter may be sent to MHRD for sanctioning the short fall amount.

- MC: 1 (2004) – 5: To discuss the staff position of the Institute, and measures to be taken to correct deficiencies.
- a) Faculty.
 - b) Officers
 - c) Supporting staff
 - d) NMR/ Consolidate and other casual workers.

Staff position of the Institute was discussed. Chairman informed the house that the BOG has already approved for filling up the vacant teaching positions. Immediately steps may be taken by NIT authorities for filling up these posts as per the AICTE norms. Prof. G. Panda, Dean (Admn.) informed that the Officers such as Registrar, Assistant Registrar, Accounts Officer and Asst. Librarians are presently under contract and their terms will be over in February, 2005. The Chairman informed the house that their terms may be extended after assessment till a clearance is received to advertise these posts with new scales of pay.

- MC:1 (2004) – 6: Future growth of the Institute creating new departments.

- a) School of Management
- b) Department of Biomedical Engineering
- c) Centre for Tribal Development.

The Chairman expressed that NIT should bring out a road map for growth by involving faculty, staff, students and out side experts. Proposals ~~should be sent to appropriate authorities~~ for creating new departments/ school/ Centre. The Committee recommended that a dual degree course of 5 years program (B.Tech. + M.Tech (Management)) may be introduced in the institute based on UGC, IIT Kharagpur and BITs, Pillani guidelines.

~~SECRET~~

MC: 1 (2004) -7: To review the academic structure of the Institute and possible reorganization of the Departments.

The committee approved the decision of Senate to increase the intake of EIE and CSE Departments from 30 to 60 respectively from the academic session 2005-2006 onwards. It was also decided that the EIE department should be renamed as Electronics and Communication Engineering (ECE).

It should offer two B.Tech. programs:

- a) B.Tech in ECE - 30 intake.
- b) B.Tech in E & I - 30 intakes.

MC:1 (2004) - 8: To discuss the acute shortage of Academic Buildings to conduct current programmes and to accommodate expansion of teaching capacity.

The Committee approved the proposal for creating new lecture hall complex, Library Building, Computer centre and Swimming pool. In this regard NIT should give a proposal to MHRD for financial assistance.

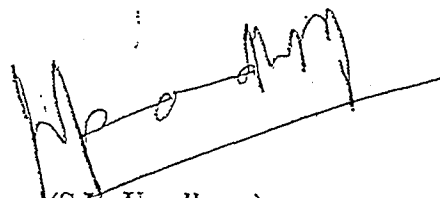

MC: 1 (2004) -9: Report on the forthcoming 2nd Convocation of N.I.T., Rourkela and recommend to BOG a policy regarding award of Honorary Degree.

The date for 2nd Convocation of NIT, Rourkela has been tentatively fixed around 4 - 12, December, 2004. The Chairman advised Director / Dean (Admn.) to contact eminent persons as the Chief Guest and to finalise the Convocation date and to bring the same to the notice of the Chairman. The Circular issued by MHRD for award of the Honorary Degree was discussed in the meeting. The decision was deferred till a final policy is framed by MHRD.

The meeting ended with thanks to the Chair.

This QIP Scholars are eligible for monthly stipend @ Rs. 6,000/- per head @ contingency grant of Rs. 10,000/- per student per annum. The actual expenditure incurred during 2003-2004 was Rs.38.52. Incidentally it may be mentioned that the BE students are also entitled to get Institute Merit Scholarship and Institute Merit-cum-Means Scholarship. The actual expenditure for 2003-2004, RE for 2004-2005 & provision for 2005-2006 on the above account have been shown in the following table. The Budget estimate for 2005-2006 contains expenditure on anticipated increase in number of PG students.

Actual Expenditure	RE 2004-2005	BE 2005-2006
Rs.38.52	Rs.86.00	Rs.112.70

2.5. House Keeping Maintenance:-

The Buildings of the Institute, Students' Halls and staff quarters had been constructed 43 years back. Repairing of these buildings are taken up. The below figure includes actual expenditure for 2003-04 and provision for 2004-05 and 2005-06.

Actual Expenditure	RE 2004-2005	BE 2005-2006
Rs.16.10	Rs.65.50	Rs.82.75

2.6. Departmental Operating Expenses:-

The Institute has 15 Academic Departments. Due to increase of student strength, the Institute is spending more amount towards consumables like Chemicals, spares, and accessories of various equipments of the Departmental Laboratories. Further the cost of various chemicals and other consumables have increased. Besides this computer facilities are made available to all Departments, Centers and Offices. So the increase in Computer Maintenance has caused additional expenditure under this head. As such the actual picture is as stated below:

Actual Expenditure	RE 2004-2005	BE 2005-2006
Rs.27.62	Rs.51.00	Rs.75.00

2.7 Retirement Benefit:-

The expenditure under Pension, Family Pension, Gratuity, Commuted Value of pension, CPF, GPF have been brought under this head. The actual expenditure incurred during 2003-2004 was Rs.325.63 lakhs. The provision for RE 2004-2005 and BE for 2005-2006 is as under:-

Actual Expenditure	RE 2004-2005	BE 2005-2006
Rs.325.63	Rs.284.69	Rs.304.82

2.8. Out sourcing services :-

To compensate for the loss of man power on retirement etc. many services are expected to be out-sourced. They include Security, Gardening, Sanitary services etc. A budget provision of Rs.50.00 lakh is made under this head.

Actual Expenditure	RE 2004-2005	BE 2005-2006
—	50.00	50.00

2.9. Miscellaneous Expenditure :-

Actual expenditure for 2003-2004 and provision for RE 2004-2005 and BE for 2005-2006 are furnished as under. The revenue deficit of Govt. of Orissa to the tune of Rs.564.47 lakhs has been included in RE 2004-2005 and BE 2005-2006.

Actual Expenditure	RE 2004-2005	BE 2005-2006
Rs.12.15	Rs. 564.67	Rs. 564.82

3.0. Total Non-Plan Expenditure:-

Actual recurring expenditure for the financial year 2003-2004 was Rs.1491.47 lakhs and RE 2004-2005 has been computed at Rs.2258 lakhs. The overall increase in RE of Non Plan than that of last year's actual is roughly 51%. This increase is due to the reason like increase of Water, Electricity Tariff, Maint. work of Computer, Institute Buildings, Halls and staff quarters and increment of employees. Besides the above increase the cost of consumables, Medicines, TA expenses etc. are caused considerable increase in all Non-Plan Expenditure.

Actual Expenditure	RE 2004-2005	BE 2005-2006
Rs.1491.47	Rs.2258.00	Rs.2457.00

After being converted to N.I.T., there is a need of achieving excellence in all fronts. This requires additional expenditure in terms of better maintenance of laboratories, higher expenditure on laboratories consumables and stationery electronic communications etc.

FRESH PROPOSALS UNDER PLAN GRANT FOR THE YEAR 2005-06

1] Student Activity Centre including Gymnasium and Swimming Pool :

A well furnished Activity Centre including Gymnasium for the students is necessary to provide indoor and outdoor game facility. A swimming pool is also necessary to facilitate aquatic sports as available in IITs. Provision for Rs.500 Lakhs may please be made during 2005-06 to start the work.

2] Opening of New Departments :

Initiatives have already been taken to open B.Tech. course in Bio-medical Engineering, Master Degree in Management and a Tribal Development Centre to provide training to local tribal for advancement of their standard of living. Provision for Rs.1000 Lakhs may be made during 2005-06 to start the above three departments/centres.

3] Upgradation of Library & Construction of Computer Centre Building :

For the advancement of teaching and research and taking into account the increased intake of Postgraduate and Ph.D. scholars, the present status of the library needs to be upgraded. More volumes need to be added and national and international journals are to be subscribed. Further, the existing space of Computer Centre Building cannot provide service to the students and staffs up to the satisfaction. Hence Rs.1000 Lakhs may be provided for upgradation of Library and Computer Centre Building.

4] Construction of Administrative Block :

It is proposed to built a new and good looking administrative block in a separate place apart from the Institution main building. Provision of Rs.300 Lakhs may be made initially for this purpose.

5] New Auditorium and Seminar Hall :

The existing auditorium was constructed from the inception of this Institute with a sitting capacity of 800. It is an old one and needs to be renovated. Further, the Institute is facing problems when more activities are conducted at the same time. Similarly for conduct of seminars of various departments the Institute needs to have a well furnished seminar hall. Rs.600 Lakhs may be provided during 2005-06 for the above two purposes.

6] Water proof treatment of Staff Quarters :

The staff quarters of this Institute were constructed since last 35-40 years. It requires ~~renovation of walls and water proofing of roofs.~~ Rs.200 Lakhs may be provided for the purpose.

7] Strengthening of Sewerage System :

The sewerage system of the Institute was also laid since 30-40 years. During rainy season somewhere it is seen blocked and somewhere it is over flowed causing a unhygienic environment in the campus. It needs to be totally renovated and amount of Rs.150 Lakhs is needed . This may be sanctioned.

8] Office Automation :

After conversion from REC to NIT, automation of offices is barely needed which cannot be materialized for lack of fund. Negotiation have been initiated with the software companies. Rs.50 Lakhs may be provided in the ensuing financial year to complete the process of Office Automation.

9] Renovation of existing Laboratories, Class Rooms and Lecture Halls :

The existing laboratories, class rooms and lecture halls are not to the extension of required sitting capacity and carrying out lab. experiment in a larger group of students. So it needs to be either expanded or to be renovated. Hence provision of Rs.200 Lakhs may be made during 2005-06.

10] New Centre of Excellence :

In order to meet the need of emerging technology, the following new centre of excellence are to be established for research and teaching.

- 1] Heat transfer equipment
- 2] Digital Signal Processing
- 3] VLSI and MEMS
- 4] Cryogenic Technology
- 5] Advanced Ceramics
- 6] Advanced Ferrous Metallurgy
- 7] Environmental Engg.
- 8] Prototype Design
- 9] Bioinformatics
- 10] Nano-Technology
- 11] Renewable Energy
- 12] Computational Intelligence
- 13] Robotics and Control

Ref: Your letter No. NITRKL/PS.8/2004 dated 10th Nov. 2004.

Sub: Enquiry Committee report regarding the incident of 10th November 2004.

With reference to above, the Committee met for seven times starting from 22nd Nov. 2004 to 4th January 2005. A general circular was issued on 22nd Nov. 2004 to all H.O.D's and H.O.O's for wide circulation among the staff to give information on the incident and also letters were sent to the Registrar, Dr. A.K.Panda and Mr. Y.K.Sahu. The replies were received from the Registrar, Dr. A.K.Panda and Sri Y.K.Sahu. Dr. A.K.Panda gave the copy of combined F.I.R. and Sri Y.K.Sahu has not reported separately but supported the combined F.I.R. and another report was received from Prof. A. Behera, Professor-in-charge, Library. As reports were not sufficient to reveal the incident, a questionnaire was sent to H.O.D's/H.O.O's. The replies were received from all except the following.

1. Chemical Engg. 2. Electrical Engg. 3. Controller of Examinations 4. Hall No. 4
5. Hall No. 6. 6. Computer Centre 7. Assistant Registrar (I&A).

Separate letters were written to the Registrar, Dr. A.K. Behera, Prof. I/C Library, Dr. A.K.Panda and Sri Y.K.Sahu for further clarification. Dr. A.K.Panda did not reply where as others replied.

Based on the above reports the following were called to appear before the Committee. The Committee heard them and obtained the written statement.

1. Mr. M. Kerketta – Peon, General Office
2. Mr. Bijoy Sing, Peon, Dean's Office
3. Mr. Ashok Kumar Routray, Worksarkar, P.D. Cell
4. Mr. N.K. Bisoi, Mech. Grade-III, Mech. Engg. Dept.

Based on the above reports and statement of the above persons, separate reports were asked from the Chairman, P.D. Cell and H.O.D, Mech. Engg. The reports indicated that Mr. A.K. Routray and Mr. N. K. Bisoi were on duty on 10th Nov. 2004 afternoon.

The reply to questionnaire and the above reports has indicated that many departments/sections functioned without disruption of their activities except.

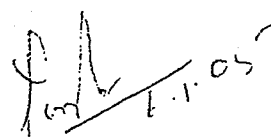

1. Registrar's Office
2. Accounts Office
3. Dean's Office
4. Offices of Dr. A.K.Panda and Mr. Y.K.Sahu.

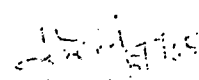

There was an attempt to close the central library but due to the effort of Prof. A. Behera, Professor-in-charge of library, the central library functioned normally. Though Prof. A. Behera mentioned two names 1. Mr. Ashok Kumar Routray and 2. Mr. N. K. Bisoi that they were with the mob but as per the reports received from concerned HOD/HOO the above two persons were on duty on 10th Nov. 2004 afternoon. Hence there is some confusion regarding their involvement.

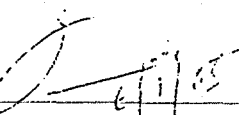

The Committee found that there was mob action, which led to closure of ground floor wing which includes Registrar's Office, Deputy Registrar's Office, Asst. Registrar (IA)'s office and General Office. The Accounts Office and Dean's office were also closed in the afternoon of 10th Nov. 2004. Part of the mob also moved to-wards Dr.A. K. Panda's office. As per Dr. A.K.Panda's report a group of people (mob) entered into his office shouting to close down the office and they have pushed both Dr. A.K.Panda and Sri Y.K.Sahu from behind and chased them upto the Institute gate. However, Dr. A.K.Panda and Sri Y.K.Sahu could not identify any specific person.

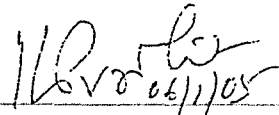

The Committee with all its effort could not identify any person involved in the incident occurred on 10th Nov. 2004.

Ref: Your Letter No.9860 Dt.05.10.2004 and this office Letter No.3119 Dt.28.09.04

Sir,

In connection to the above cited subject I am to clarify that your Institute has not requested to construct a Community Hall at REC Campus. Hon'ble M.P. Sri Dillip Ray has initiated the proposal through the Collector, Sundargarh for this work out of his MPLAD fund for the year 2004-05. (copy of letter enclosed)

Hence it is requested again to approve the proposal through your Building and Works Committee and Boards of Governors and give your clearance over the piece of land as specified in our letter No.3119 Dt.28.09.04.

Yours faithfully

Sub: Submission of feasibility report /and Status of project under
MPLAD Scheme 2004-2005 for sanction of funds.

Sir,

With reference to the subject cited above, I am to inform that Hon'ble M.P. (Rajya Sabha) Dilip Ray has recommended project proposals under MPLAD Scheme for the year 2004-2005. Accordingly, you were requested to submit the feasibility report of each project for observation and sanction of funds but the same have not yet been received.

While furnishing the feasibility report/and status against each of the proposed project you are requested to take care to the following items.

1. In case of school building/class room/ boundary wall and similar nature of works of school (including Saraswati, Sishu, Mandir, Aurobindo Integral school and other medium school) College (a) the details of recognition (High School)/(affiliation of college) (b) Land Status of institution and (some time Hon'ble MP suggested for construction of school building without mentioning the type of schools)-all related items should also be ensured/verified.
2. In case of Community Center/ Prayer Hall/ Kalyan Mandap/Reading Room (Padhagruha) / Passenger Rest shed/ Social Home/Rural Artisan Center/Public library building. The land status must be community and /suitable Govt. land and free from legal problem.
3. In case of Club / Sangha /Community Organization the details of registration as well as land status should be ensured from the competent authority.
4. In case of works of the different Non-Govt. Organizations/ Trusts/ Aar Association building the details of registration/activities and land should be verified.
5. In case of road projects (Construction/Improvement) the category of road, KM to be covered should be mentioned. It must be ensured that the portion of road now proposed to be taken up under MPLAD Scheme must be excluded from other sources of fund during the current financial year. While submitting the plan an estimate necessary clearance certificate may be issued in the report of the project and locational road map to the portion of road must also be indicated in the estimate in order to avoid duplication.
6. Full estimate of each project should be made irrespective of the funds required by Hon'ble M.P.
7. The cost of signboard etc. should be included in the estimate cost of the project.
8. The estimated cost of the MPLAD project should be exempted from ... charges/ contingencies charges /pro rata charges.
9. It should be ensured that the work taken up under the scheme is for the benefit of institution/community and public at large.

Sir,

This has reference to your letter addressed to Director, National Institute of Technology, Rourkela regarding the construction of Community Hall at REC Campus. From our records it is found that there was no request by the NIT authority regarding the construction of Community Hall at the designated place. I would request you to provide a copy of any request made by the Institute or any relevant documents available with you. Any construction inside the Campus requires the approval of the Building and Works Committee and Board of Governors, NIT Rourkela. In the absence of any such approval by the NIT authority, we are not able to take a decision in this regard.

Expecting an early reply from you.

Director

No. NITRKL/PS 1(IV)/2004
To
Board of Governors

Dated: 19.01.2005

Sub: A note on places of worship on NIT campus

- (1) The NIT campus has mainly two places of worship
 - (a) the Mangla Mandir at the eastern entrance to the academic area, and
 - (b) the Shri Ram & Hanuman temples near the entrance to the residential area.

In addition some worshipping of a tree at the gate itself appears to be in vogue.

- (2) The REC – BOG received a request to construct a Shiva temple on campus. The request was turned down by the Board vide its resolution No BOG-99(2001)-F-11 in the 99th meeting of the Board. (xerox copy of resolution enclosed)
- (3) But it appears that the temple was constructed in spite of the Boards' directive to the contrary. On taking over as Director of the Institute in May 2003, I enquired about the agency behind the construction. But no one came forward. The construction has stopped since then. It was initiated again during my illness, but it has been stopped. A photograph of the site is enclosed for the board's review.
- (4) There are no places of worship for non – Hindu faiths. Considering the heterogeneous population of the campus community and in the surrounding community, demand may come in future.
- (5) There is no formal management of these places of worship. There is no master plan on them. If there is one, it is not available to me.
- (6) From an outside look, the temples appear quite prosperous financially. But the administration has no information on the financial management and the responsible individuals. It is pure hearsay; but I have been told that temple funds have been used for supporting directly or indirectly activities not beneficial to the Institute.
- (7) The premises attached to the Hanuman – Shri Ram – Shiva temples have been used for political activities directed against the Institute. A copy of a newspaper report stating such events is enclosed.
- (8) We have received directive from the Rourkela Municipality to construct a "Community Hall" adjacent to the temple constructed against the wishes of REC – BOG, on the land used for political meetings. The municipality has not clarified as to what purpose it will serve and who will manage it. The funds are provided from MP – LADS grant.

There has been no request from any person of the Institute community for such a facility.
