MINUTES

43rd MEETING OF BOARD OF GOVERNORS

DATE : 22nd Nov., 2014 (Saturday)
Time : 2.30 P.M.
Venue : Board Room, NIT, Rourkela

राष्ट्रीय प्रौद्योगिकी संस्थान, राउरकेला
National Institute of Technology, Rourkela

MINUTES FOR THE 43rd MEETING OF THE BOARD OF GOVERNORS, NATIONAL INSTITUTE OF TECHNOLOGY, ROURKELA HELD AT 2.30 P.M. ON 22.11.2014(SATURDAY) IN THE BOARD ROOM, NIT ROURKELA.

1. **Sri B. S. Sudhir Chandra** ... Chairman
Ex-Director (Project & Planning) &
Chairman, BOG, NIT, Rourkela,
Bangalore Metro Rail Corporation Ltd
3rd Floor, BMTC Complex
K.H.Road, Shanthinagar,
Bangalore.
2. **Prof. Sunil Kr Sarangi** ... Member
Director
NIT.Rourkela -769 008 (Odisha)
3. **Shri Rajesh Singh** ... Representative of F.A.
Director, Finance
MHRD, Government of India
Dept. of Higher Education
Shastri Bhawan, New Delhi-110 015
4. **Dr. R. K. Bhandari** ... Chairman (Elected)
Ex-Director, DAEVECC, Govt. of India,
H.N. 808, Sector 31, HUDA
(near HUDA shopping centre)
Gurgaon-122001 (Haryana).
5. **Prof. (Ms.) Rintu Banerjee (Through Video Conferencing)...** Member
Professor, Agriculture & Food Engineering
IIT, Kharagpur.
6. **Prof. S.C.Mohany** ... Member
Associate Prof., ME,
National Institute of Technology
Rourkela -769 008 (Odisha).
7. **Er. S. K. Upadhyay** ... Secretary
Registrar
National Institute of Technology
Rourkela -769 008 (Odisha).

Members who could not be present

8. **Mr. Amarjit Sinha , IAS**
Addl. Secretary,
Government of India, MHRD,
Dept. of Secondary & Higher Education,
Sashtri Bhavan,
New Delhi.
9. **Prof. V. Chandrasekhar, Director,** ... Member
National Institute of Science Education and Research,
Institute of Physics Campus,
Sachivalaya Marg,
P.O.- Sainik School,
Bhubaneswar, Orissa - 751 005
10. **Dr. Chandra Shekhar Kumar, IAS** ... Member
Commissioner-Cum-Secretary to Govt.
Employment and Technical Education &
Training Department, Government of Odisha,
Odisha Secretariate,
Bhubaneswar-751001.
11. **Prof. S.K. Patra** ... Member
Professor, EC Dept.,
National Institute of Technology
Rourkela -769 008 (Odisha).

Leave of absence was granted for the above member.

A. GENERAL AND PROCEDURAL MATTERS.

BOG-43(2014)-01: **Welcome to all members to the meeting by the Chairman.**

Chairman welcomed all the members to the meeting.

BOG-43(2014)-02: **Confirmation of the minutes of the 42nd Meeting of the BOG held on 26.09.2014 at Bhubaneswar.**

The minutes of the 42nd Meeting were sent to the members vide letter No.NITR/RG/BOG-42/568, dt:04.10.2014. No comment or suggestion has been received.

The Board discussed on the representation received from Mr. B.B. Mohanty, President, NITRAA expressing remorse on "de-recognition" of NITRAA. The Board noted that NITRAA has not been de-recognized, and that its role is now better defined and even enhanced. The Director was advised to write to President NITRAA and dispel any misunderstanding among the alumni. It was, however, reiterated that institute land or buildings cannot be transferred or leased to non-Government agencies.

The Board confirmed the minutes.

BOG-43(2014)-03: **To report on the action taken on the decisions made in the 42nd Meeting of BOG held on 26.09.2014 and to discuss matters arising out of the minutes.**

The report on the action taken on the decisions made in the 42nd Meeting of the BOG held on 26.09.2014 was given in the Annexure for information of the Board.

The Board noted the above.

[Annexure- A1, Pg. No.13-14]

BOG-43(2014)-04: **Brief Report on the activities of the Institute since last BOG meeting held on 26.09. 2014.**

A brief report of the Institute was presented in the Annexure for information of the Board.

The Board noted the above.

[Annexure- A2, Pg. No.15]

BOG-43(2014)-05: **Discussion on the Final CAG Audit Certificate cum Audit Report on the Accounts of the Institute for the year 2013- 2014.**

The Final CAG Audit Certificate-Cum-Audit Report on the Accounts of the Institute for the year 2013-2014 of the Institute was put up for information of the Board.

The Board noted the above.

[Annexure- A3, Pg. No.16-23]

BOG-43(2014)-06: To consider the Minutes of 29st FC meeting held on 26.09.2014 (Friday) and 30th FC meeting held on 22.11.2014 (Saturday).

The minutes of 29st FC meeting held on 26.09.2014 and 30th FC meeting held on 22.11.2014 (Saturday) were given in Annexure for consideration of the Board.

The Board approved the proposal.

[Annexure- A4, Pg. No.24-34]

BOG-43(2014)-07: To approve the Minutes of 23rd BWC meeting held on 19.11.2014.

The minutes of 23rd Meeting of the Building & Works Committee held on 19.11.2014 at NIT Rourkela was put up on the table for consideration of the Board.

The Board approved the proposal.

[Annexure- A5, Pg. No.35-52]

BOG-43(2014)-08 Status of Pending Court Cases.

The status of pending court cases in various Courts in Odisha was given in the Annexure for information of the Board.

The Board noted above.

[Annexure- A6, Pg. No.53-54]

BOG-43(2014)-09: Minutes of the 8th meeting of Council, NITs & action take report on Minutes.

- 1) The Minutes of the NIT Council meeting and action taken report are given in the Annexure for information of the Board.

The Board noted above.

[Annexure- A7, Pg. No.55-83]

2) Proposal for appointment of Deputy Director in NITs. – reg.

MHRD vide letter No.F.No.33-6/2013-TS.III, dt.27.10.2014 directed to refer the Ministry's letter No. No.F.No.33-6/2013-TS.III, dt.02.09.2013 regarding appointment of Dy. Director in NITs.

The Board vide resolution No.BOG-29(2012)-21, dt.16.03.2012 had recommended for amendment of statutes (copy enclosed) regarding the appointment of Dy. Director in NITs, the specific attention is drawn as follows:

The Deputy Director	(1) The appointment of the Deputy Director shall be made by the Visitor on the recommendation of the Selection Committee constituted by the Central Government with prior approval of the Visitor consisting of at least five members including the Chairman who are experts in the field of technical education with experience at National and International level.	(1) The Deputy Director will be appointed by the Board of Governors from among the professors of the Institute, from a panel nominated by the Director. The Director will nominate three professors with superior academic and administrative record and present their bio data to the BOG. The BOG will choose one of them.
---------------------	---	--

	(2) The appointment shall be for a period of three years initially which may be extended by two times for one year each on recommendation of the Board.	(2) The tenure of the Deputy Director shall be 2 years, extendable by one year on recommendation of the Director and approval of the Board.
--	---	---

Accordingly communication was sent to MHRD vide letter No.NITR/RG/2013/L/985, dt.09.10.2013 for amendment of Statutes (copy enclosed).

The Board noted above and directed that reply may be sent to MHRD again.

The Board directed that decision may be taken by assessment committee approved by Director and its recommendation be put up to BOG meeting before 31.12.2014. Further it was decided that a policy on confirmation of faculty and officers, other employees of the institute may be framed by the institute.

[Annexure- A9, Pg. No.96-98] ✓

BOG-43(2014)-11: Confirmation of Officers.

The Board may consider the confirmation of the Officers as given in the Annexure.

The Board directed that reason for not confirming any Officers will be recorded in the recommendation and recommendation will be put up to BOG in the next meeting.

[Annexure- A10, Pg. No.99] ✓

BOG-43(2014)-12: Disciplinary proceeding against Prof. U. K. Mohanty, Professor, MM Dept.

The Board vide resolution No. BOG-32(2012)-03 dt.18.12.2012 directed to proceed with disciplinary proceeding against Prof. U.K. Mohanty, MM Department and Prof. S.K. Agarwal, CH Dept. Accordingly Mr. J. M. Das, Retired District Judge was appointed as enquiry officer. The report of the enquiry officer was put up on the table.

The Board directed that copy of the enquiry report should be sent to the above Professors and their responses will be put up to BOG in the next meeting.

[Annexure- A11, Pg. No.100-119]

BOG-43(2014)-13: Approval of Policy on New Purchase Procedure.

The purchase procedure was approved by the Board vide resolution No.BOG-23(2010)-14 dt.09.07.2010. The procedure has been modified keeping in view of the requirements and change in policy of the Institute. The policy on new purchase procedure was put up on the table.

The proposal was deferred.

C. ACADEMIC MATTERS:

BOG-43(2014)-14: To consider the Minutes of 50th Senate Meetings held on 10.11.14.

The minutes of 50th Senate Meeting held on 10.11.2014 was put up on the table for the information of the Board.

The Board noted above.

[Annexure- A12, Pg. No.120-134]

BOG-43(2014)-15: Approval of final list of students to be awarded degrees in the 12th Convocation to be held on 17.01.2015.

The 12th Convocation is scheduled to be held on January 17, 2015. The list of Candidates to be awarded degrees in the 12th Convocation is given in the Annexure for approval of the Board. The list has been examined and recommended by the Senate and provisional certificates have been issued. Though the list of B. Tech, M. Tech, M.Sc. students is exhaustive, due to continuous of admission in M. Tech (R) and Ph.D., the results are published throughout the year. **It is suggested that those who will qualify for M. Tech(R) and Ph.D. degrees before the Convocation they will also be included in the list for award of degrees.**

The Board approved the list for award of degrees. Director was advised to prepare supplementary list of degree recipients and put up to Chairman for approval.

[Annexure- A13, Pg. No.135-178]

BOG-43(2014)-16: Proposal for Honorary Doctorate /D.Sc. degree to be awarded in the 12th Convocation to be held on 17.01.2015.

The Senate vide resolution No.2014-50(2014):13, dt.10.11.2014 recommended names for the award of Honorary Doctorate / D.Sc. degree to be awarded in the 12th Convocation to be held on 17.01.2015. The following names were proposed.

- i. *Dr. Srikumar Banerjee, Former Chairman, Atomic Energy Commission & Secretary to Govt. of India, Department of Atomic Energy.*
- ii. *Prof. Manindra Agarwal, Dept. of Computer Science & Engineering, IIT Kanpur.*
- iii. *Dr. Bansidhar Panda, Industrialist & former Chairman of BOG, NIT, Rourkela.*

The Board approved the proposal.

BOG-43(2014)-17: Accreditation status of UG and PG Programs.

The institute has gone for accreditation of its UG & PG programmes during the academic year 2013-14 by National Board of Accreditation (NBA). The accreditation status of the programme were given in the following table:

Sl. No.	Name of the Programme	Accreditation Status	Period of validity
1	UG- Computer Science & Engineering	Provisionally Accredited	2 years w.e.f. 01.01.2014
2.	UG- Civil Engineering	Accredited	5 years w.e.f 01.01.2014

4.	UG – Electronics & Instrumentation Engineering	Accredited	
5.	UG – Electronics & Communication Engineering.	Accredited	
6.	UG- Metallurgical & Material Engineering	Accredited	5 years w.e.f 01.07.2014
7.	UG- Ceramic Engineering	Accredited	
8.	UG- Mining Engineering	Accredited	
9.	UG- Biotechnology	Accredited	
10.	UG- Chemical Engineering	Accredited	
11.	UG- Biomedical Engineering	Accredited	
12.	UG- Mechanical Engineering	Accredited	2 years w.e.f. 01.07.2014
13.	PG- Computer Science and Engineering	Provisionally Accredited	
14.	PG- Computer Science and Engineering (Information Security)	Provisionally Accredited	
15.	PG – Civil Engineering (Geotechnical Engineering)	Accredited	
16.	PG – Civil Engineering (Structural Engineering)	Accredited	

17.	M Tech – Electrical Engineering (Electronics and System Communication)	Accredited	5 years w.e.f 01.07.2014
18.	M Tech – Electrical Engineering (Power Electronics and Drives)	Accredited	
19.	M Tech – Electronics and Communication Engineering (VLSI Design and Embedded Systems)	Accredited	
20.	PG - Metallurgical & Material Engineering	Accredited	
21.	PG- Biotechnology	Accredited	
22.	PG - Chemical Engineering	Accredited	
23.	PG- Biomedical Engineering	Accredited	2 years w.e.f. 01.07.2014
24.	PG- Machine Design & Analysis	Provisionally Accredited	
25.	PG – Production Engineering	Accredited	5 years w.e.f 01.07.2014
26.	PG – Thermal Engineering	Accredited	

The Board noted the above.

D. ROUTINE ADMINISTRATIVE MATTERS:

BOG-43(2014)-18: Personnel issues:

Personal Matter [Resignation]:

1. Prof. Snehamoy Chatterjee [EC- 1080874] joined this Institute service as an Assistant Professor in the department of Mining Engineering on 31/03/2008 (FN). He had tendered his resignation from the post of Assistant Professor, Dept. of MN and requested to relieve him from the Institute service with immediate effect. His resignation was accepted by the Chairman BOG on behalf of the Board and he was relieved from the Institute service on 23/09/2014 (AN).

The BOG ratified the proposal.

BOG-43(2014)-19: PARTICIPATION IN CONFERENCE AND WORKSHOPS IN FOREIGN COUNTRIES:

The following faculty members were permitted to participate in conferences and workshops in foreign countries on approval of Director as per the Institute policy. The list is presented for information of the Board.

Sl. No.	Name & Designation	Dept.	Duration	Training/ Conference	Place of Training / Conference	Country
1.	K.K.Khatua, Asso. Professor	CE	19-08-14 to 06-09-14	Joint Research Collaboration (UGC- UKIERI)	University of Leeds	UK
2.	K.K.Khatua, Asso. Professor	CE	02-09-14 to 05-09-14	7 th International Conference on FH	EPFL Lausanne	Switzerland
3.	Monalisa Pattnaik, Asst. Professor	EE	24-09-14 to 25-09-14	3 rd Renewable Power Generation Conference 2014	Ramada Napels	Italy
4.	K.C.Patra Professor	CE	19-08-14 to 31-08-14	Joint Research Collaboration (UGC- UKIERI)	University of Leeds	UK

5.	K.C.Patra, Professor	CE	03-09-14 to 05-09-14	International Conference on Fluvial Hydraulics	Lausanne	Switzerla nd
6.	D.P.Tripathy, Professor	MN	25-10-14 to 26-10-14	Advances in Civil, Structural and Environmental Engineering	Zurich	Switzerla nd
7.	Debarjyoti Choudhuri, Asst. Professor	MA	13-10-14 to 18-10-14	Research Collaboration	Birmingham	UK
8.	Pradip Sarkar, Asso. Professor	CE	25-10-14 to 26-10-14	Advances in Civil, Structural and Environment Engineering 2014	Zurich	Switzerla nd
9.	V. Sivakumar, Asst. Professor	CY	13-10-14 to 14-11-14	Collaborative Research Work	Wayne State University	USA
10.	Pramod Kumar Tiwari, Asst. Professor	EC	23-09-2014	Asia Modeling Symposium 2014	Taipei	Taiwan
11.	Ranabrata Mazumder, Asso. Professor	CR	26-10-14 to 30-10-14	AMF- AMEC 2014	Shanghai	China
12.	Pravat Kumar Ray, Asst. Professor	EE	22-10-14 to 25-10-14	IEEE TENCON 2014	Bangkok	Thailand
13.	B. Majhi, Professor	CS	22-10-14 to 25-10-14	IEEE TENCON 2014	Bangkok	Thailand
14.	Pankaj Kumar Sa, Asst. Professor	CS	01-11-14 to 05-11-14	ACCV Workshop on FSLCV 2014	Singapore	Singapor e
15.	K.P.Maity, Professor	ME	09-11-14 to 12-11-14	AWMFT 2014	Taipei	Taiwan
16.	Snehanshu Pal, Asst. Professor	MM	11-01-15 to 14-01-15	KomPlasTech 2015	Krakow	Poland

The Board noted the above.

E. MISCELLANEOUS ITEMS:

BOG-43(2014)-20: Preliminary proposal for setting up of an Ion Implanter Facility at NIT Rourkela.

An ion implanter is a low energy, ion accelerator-based facility which can be used for a variety of R&D experiments in the area of material science, essentially, involving surface or near surface studies. The accelerator beam can also be used for atomic physics and biological experiments with suitable experimental equipment. Further, with appropriate configuration and necessary set ups, the facility can be used for commercial production of semiconductor and photovoltaic devices (The world market is to the tune of US\$300 billion, annually). The implanter can also be used for various other applications including surface hardening of tools, increased resistance to wear and tear, reduced friction, reduced corrosion etc.

The accelerator produces intense beams comprising of ions of heavy elements. The energy of the ions varies from 100s of electron volts (eV) to about 10 million electron volts (MeV) depending upon the application while the ion beam flux ranges from 10^{10} to 10^{18} per cm^2 per second. However, the actual energy range will depend upon the areas of planned investigations/studies. These ions are implanted at appropriate locations in the substrate to produce desired properties. The substrate can be a

metal, alloy, ceramic, polymer or any material which can withstand the impinging ion beam.

Ion Implantation

Surface hardening of materials

Advantages:

- ✓ Reduced wear and tear
- ✓ Less friction
- ✓ Reduced corrosion
- ✓ Retain surface finish
- ✓ No peeling off: (advantage over coatings)

Applicable to:

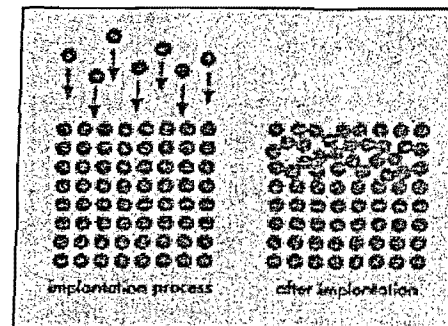

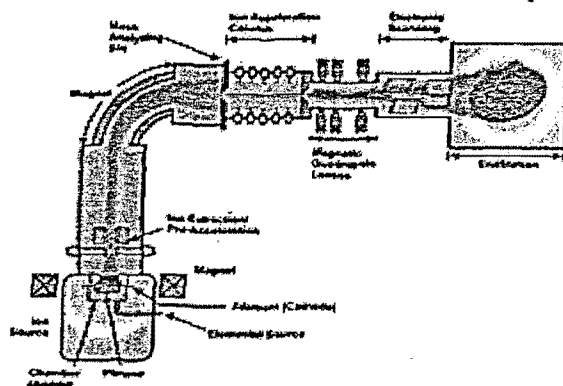

- > Metals, alloys, ceramics, polymers etc.
- > Medical products such as artificial knee and other joints, dentals, artificial cartilages etc.
- > Mechanical tools, machines parts etc.

- Done at relatively lower temperatures
- Low energy ions (N, Ar, or any H)

This is a preliminary proposal for setting up of an ion implanter facility which may be configured more for engineering R&D applications and, possibly, some production activities. For example, one area could be the production of semiconductor devices on commercial scale. In this application doping of semiconductor junctions is done using the desired element whose energetic ions are produced by the accelerator. As mentioned above, Commercial production of ICs and photovoltaic systems is also done with the help of ion implanters. This is a very standard practice followed in advanced countries and use of ion implanters for such purpose is most common as well as preferred. A standard system is shown in the figure below.

Ion Implantation

Electronic components

- > Annual sale of ion Implanters ~ US\$ 1 billion
- > Market value of semiconductor devices produced using ion implanters ~ US\$ 300 billion {approx. Rs. 18 lakh crores} annually

*Source: Robert Henin & Martine Henin
Introduction to the Beam Business (2012)*

As far as our knowledge goes, there is no such facility (i.e. configured for engineering R&D) in India. With the present trend of thinking about reaping the benefit of science and technology for production of hi-tech materials and components in India, we should also have such facilities operational in the country.

Costs:

The cost of setting up the facility, including some experimental equipment, may be Rs. 25 to 30 crores. Space requirements to house the facility is rather small and so is the manpower required to operate and maintain it. The facility does not consume much power, say below 100 kW.

A presentation was made by Dr. R. K. Bhandari, member, BOG.

The Board noted the above.

BOG-43(2014)-21: Presentation on Centre of Excellence and status of the TEQIP-II by Prof. K. Pramanik, BM.

Prof. K. Pramanik, HOD, BM & Coordinator, TEQIP-II presented the status of TEQIP-II on Centre of Excellence - Orthopaedic Tissue Engineering & Rehabilitation.

The Board noted the above.

Dated: October 2014

Dear Dr Sarangi,

We have conducted the audit of annual accounts of National Institute of Technology, Rourkela for the year 2013-14 in July/August 2014. Significant comments on accounts are included in the Separate Audit Report issued separately to the Govt. of India and a copy marked to you. Some of the observations, which were not included in the Separate Audit Report, meriting the attention of the Management are detailed below to enable your office to take necessary corrective action.

1. The statutory liability under Section 7 includes Rs.25,032/- which needs to be refunded.
2. This does not include the amount of Rs. 64,156/- being the amount payable towards maintenance of sewerage line of hall, quarters, academic area etc. resulting in under-statement of the above head and corresponding understatement of 'Current Liabilities' as well as over statement of Corpus/Capital Fund by that extent.

Continued --- page 2-

3. Discrepancy between the entries in Balance Sheet of the Institute (schedule 3 to Liabilities) and its sub account (SRICCE Account).

The following differences between the Opening Balances and Closing Balances of refund & revenue expenses need reconciliation.

Dr. S.K. Sarangi,
Director,
National Institute of Technology,

Separate Audit Report on the accounts of the National Institute of Technology (NIT), Rourkela for the year ended 31-March-2014.

1. We have audited the attached Balance Sheet of National Institute of Technology (NIT), Rourkela as at 31.03.2014, Income & Expenditure Account and Receipts & Payments Accounts for the year ended on that date under Section 19(2) of the Comptroller & Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 read with Section 22 (2) of the NIT Act 2007. These financial statements are the responsibility of the Institute's Management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller & Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regulatory) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements.

An audit also includes assessing the accounting principles used and significant estimates made by managements, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that :

- i) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
- ii) The Balance Sheet, Income & Expenditure Accounts and Receipts & Payments Accounts dealt with by this Report have been drawn up in the format approved by the Ministry of Finance.
- iii) In our opinion, proper books of accounts and other relevant records have been maintained by the NIT as required, in so far as it appears from our examination of such books.
- iv) We further report that:

A. Balance Sheet

A.1. Liability

A.1.1. Current Liabilities & Provision - Rs. 78.78 crore(Sch.)

A.1.1.1 Liabilities for expenses - Rs.7.12 crore

A.1.1.1.1 This does not include stipend of Rs.0.6 crore payable to 809 M. Tech students for the months July to August 2013, February and March 2014 resulting in understatement of liability for expenses Rs.0.66 crore and understatement of Other Administrative Expenses of SCH-21 (M Tech Stipend) in Income and Expenditure Account to the same extent with consequential overstatement of Capital/Corpus Fund by the equal amount.

B. Assets

B.1. Fixed Assets – Rs. 480.68 crore

B.1.1 This does not include the cost of building i.e “Construction of water bodies behind V.S. Hall & deepening of Puspa Pond at NIT”, amounting to Rs.1.67 crore not capitalised resulting in understatement of Fixed Assets- Buildings by Rs.1.67 crore. This also resulted in corresponding overstatement of capital work-in-progress by Rs.1.67 crore.

B.2. Fixed Assets – Rs. 480.68 crore

B.2.1 Net Block – Building Rs. 87.67 crore

B.2.1.1 This includes Rs. 0.14 crore paid to Rourkela Development Authority towards scrutiny fees for construction of six buildings (in progress) out of which Rs.0.13 crore has been capitalised and Rs.0.008 crore booked as revenue expenditure (Other Administrative Expenditure). This resulted in overstatement of Fixed Assets-Buildings by Rs.0.13 crore and understatement of Capital-Work-in-Progress by Rs.0.14 crore and overstatement of revenue expenditure (Other Administrative Expenditure) by Rs.0.008 crore

Further, charging of depreciation @10% on the above capitalized amount (Rs.0.13 crore) has resulted in overstatement of expenditure (depreciation) under Income and Expenditure Account by Rs.0.01 crore with corresponding understatement of Capital/Corpus Fund by the equal amount.

C. Income & Expenditure Account

C.1. Expenditure

C.1.1. Depreciation Rs. 26.73 crore (Sch 8)

C.1.1.1 This has been understated by Rs. 3.09 crore due to charging of depreciation on Library Books @ 15 % instead of 60% as prescribed under Income Tax Act, 1961 resulting overstatement of Capital /Corpus Fund to that extent and overstatement of fixed Asset by the same amount.

C.2. Depreciation Rs. 26.73 crore

C.2.1 This did not include Rs.0.08 crore being the depreciation on the completed project “Construction of water bodies behind V.S. Hall and Deepening of Puspa Pond at NIT” which resulted in understatement of Expenditure (Depreciation) under Income and Expenditure Account and overstatement of Capital and Corpus Fund by Rs.0.08 crore.

D. Effect of Audit comment in accounts

The net impact of Audit comments given in proceeding Paragraph is Overstatement of Assets Rs.3.15 crore and Overstatement of Liabilities Rs. 3.15 crore

E. Grant in Aid

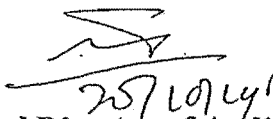

Out of the GOI (MHRD) grant of Rs.176.90 crore (Plan Rs.129.00 crore and Non-Plan Rs.47.90 crore including Rs.10.00 crore and Rs. 2.90 crore received during 4/2014 under Plan and Non plan grants respectively) received for 2013-14 with an OB of (-) Rs.9.86 crore (Plan (-)Rs. 17.10 crore and Non-Plan Rs.7.24 crore), NIT, Rourkela could utilise a sum of Rs.243.10 crore (Rs.191.33 crore under Plan and Rs. 51.77 crore under Non-Plan) with an excess expenditure of (-) Rs. 76.06 crore (Plan (-)Rs. 79.43 crore under Plan and Non-Plan Rs.3.37 crore) and the excess expenditure was met from the Internal sources of the institute.

F. Management Letter

Deficiencies which have not been included in the SAR have been brought to the notice of Director, NIT Rourkela through a Management letter issued separately for remedial / correction action.

- (v) Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income & Expenditure and Receipts and Payment account dealt with by this Report are in agreement with the books of accounts.

- (vi) In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report give a true and fair view in conformity with accounting principles generally accepted in India:
- a. In so far as it relates to the Balance Sheet, of the state of affairs of the NIT Rourkela as on 31 March 2014; and
 - b. In so far as it relates to Income & Expenditure Account of the deficit for the year ended on that date.

Principal Director of Audit (Central)

Annexure to Separate Audit Report

1. Adequacy of Internal Audit

Internal Audit has not been conducted since 2008-09.

2. Adequacy of Internal control

The Internal Control is adequate and commensurate with the size and nature of the activities carried out by the Institute.

3. System of Physical Verification of Fixed Assets

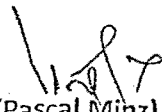

Fixed Assets have been physically verified by the Management.

The FC confirmed the minutes.

F.C-29(2014)-03: *To report on the Action Taken on the minutes of 28th meeting of the Finance Committee held on 20.06.2014 at NIT, Rourkela.*

The report on the action taken on the decisions made in the 28th Meeting of the Finance Committee held on 20.06.2014 was presented for FC's consideration.

The FC noted the above.

[Annexure- A1, Pg. 5]

F.C-29(2014)-04: *To approve the Budget for the year 2015 -16 and revised estimate for the year 2014-15.*

The budget proposal for the financial year 2015-16 and revised Estimate for the year 2014-15 were put up for consideration of the FC.

The FC approved the proposal and directed the following:

- 1) A comprehensive proposal of the revised estimate for 2014-15 shall be sent to MHRD for consideration of additional grant.*
- 2) The "on going" projects should be completed and no new project will be taken up in the current financial year except a few essential constructions as approved by FC & BOG.*

[Annexure- A2, Pg. No. 41]

F.C-29(2014)-05: *Annual Report for the year 2013 -14.*

The Draft Annual Report for the year 2013 - 2014 of the Institute was put up on the table for consideration by FC.

F.C-29(2014)-06: Discussion on the Draft CAG Audit Certificate cum Audit Report on the Accounts of the Institute for the year 2013- 2014.

The Draft CAG Audit Certificate cum Audit Report on the Accounts of the Institute for the year 2013-2014 of the Institute was put up for consideration by FC.

The FC considered the proposal and recommended to BOG for approval.

[Annexure- A4, Pg. No. 42 - 49]

F.C-29(2014)-07: Financial Status of The Institute.

The Financial status of the Institute is given the Annexure. As on 01.08.2014, there is a 'negative balance' on 'Plan and Non-Plan Account' of Rs.78.42 crores and Rs. 13.86 crores respectively. It is proposed that to carry out the construction work and to meet the expenses towards M. Tech and Ph.D. stipend of the students. MHRD may consider a special grant of Rs.200 crores immediately in addition to the amount already sanctioned.

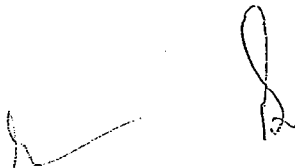

- 1) A comprehensive proposal of the revised estimate for 2014-15 shall be sent to MHRD for consideration of additional grant.*
- 2) The 'on going projects' should be completed and no new project will be taken up in the current financial year except a few essential constructions as approved by FC & BOG.*

The FC was informed that the process of selection of architect by a duly constituted expert committee has been completed, and that M/s INFORM Architects of Bangalore have qualified for all 4 items following the "Cost- cum-Quality" approach.

The FC accepted the recommendation and recommended to the BOG for acceptance.

The FC felt that in view of:

- a) The urgency of completing the 'Planning & Architecture Building' within the time limit committed to the council of Architecture.*
- b) The iconic nature of the 'Planning and Architecture Building' that needs a contractor of superior skill, experience and professional competence, and*

- c) The economy resulting from using 2012 cost estimates employed in the present contract.
- d) The estimated cost of the 'Planning & Architecture Building' being accommodated (which will be trivial at about 5% of the present contract value) in economy achieved in the existing buildings construction, and that it will serve a serious public purpose if the construction of 'Planning & Architecture Building' is included in the present contract given to M/s Shapurji Pallonji & Co.
- 3) The FC felt that advice of CPWD at Bhubaneswar may be taken to ascertain the legality of such a step and the procedure suggested for adoption in the special case.
- 4) The overall deviation on this count must be within the prescribed limit of the overall contract.

[Annexure- A5, Pg. No. 50 - 51]

F.C-29 (2014)-08: Proposal for New Academic Building as approved by the BWC.

BWC vide resolution No.BWC:22 (2013)-06: dt.06.08.2014 had recommended some new project proposals for consideration of the FC as given below:

1. **Providing Wooden Bulkheads to existing AC units in all rooms and dining halls in South & North Guest House.**

Central AC units have been installed during Phase – I project in all the 50 rooms and dining halls of South & North Guest Houses. However, bulkhead enclosures in these existing AC units have not been provided and units are exposed. For aesthetic reasons, it is therefore proposed to provide wooden ply bulkheads to all the existing AC units of South & North Guest Houses.

This will cost about Rs. 7.0 Lakhs.

The FC approved the proposal.

2. **Construction of Boundary Wall around 5MLD Water Treatment Plant.**

Construction of the new 5MLD Water Treatment Plant is planned to be completed within few months. However, the construction of the compound wall around the plant is not included the scope of the present contract. For security reasons, it is now necessary to take up the construction of the compound wall with a gate on priority basis (sketch enclosed).

The length of the compound wall will be about 4000 m. This will cost Rs.21.53 lakh (Details enclosed).

The FC approved the proposal.

3. Review of Selection of Architects for Important Buildings.

The BOG vide resolution No BOG-40(2014)- 05, dt. 09.05.2014, on the recommendation of the Finance committee has approved the proposal to take up the following important works.

- 1) Planning & Architecture Building
- 2) 120 Seated Married students' Hostel
- 3) Construction of Boundary Wall and Building NIT, Rourkela Extension Center at Bhubaneswar.

- In addition to the above buildings, earlier it was approved by BOG vide resolution No BOG-38(2014)- 05, dt.17.01.2014, to take up Renovation of Existing Academic Buildings on priority.
- Hence, the selection of Architects will be done for the four buildings/ items out of the followings Architects who were qualified for the Major Projects (Phase III) and also who have worked for the Institute in the past.:

- 1) M/s Jay Ambe Ground Designers Pvt Ltd, Ahmedabad
- 2) M/s Arch-en Design, New Delhi
- 3) ENARCH Consultants (P) Ltd., Noida, New Delhi
- 4) M/s Suresh Goel & Associates, Nw Delhi
- 5) M/s Development Architects Pvt Ltd., Kolkata
- 6) M/s DDF Consultants Pvt Ltd., New Delhi
- 7) M/s Mukesh Associates, Solem, Tamil Nadu
- 8) M/s Inform Architects, Bangalore
- 9) M/s BOSE BROTHERS ARCHITECTS, Kolkata
- 10) M/s Vastukar Architects, Bhubaneswar
- 11) M/s Space Arch, Bhubaneswar
- 12) M/s Design Techno, Bhubaneswar

- They have been asked to submit Conceptual plan for each of the buildings and participate in the presentation. The selection will be done based as quality cum cost basis. The last date of receipt of Conceptual plan has been kept on 04.08.2014 and the presentation date on 16.08.2014.

The FC noted the above. M/s Inform Architects, Bangalore has been recommended by the committee for the above project.

4. Construction of (1) Planning & Architecture Building (2) Married Students' Hostel (3) Bhubaneswar Extension Centre (4) Renovation of Existing Buildings.

The BWC was informed that in view of the budget crunch, all new project proposals have been put on hold; but the above

four projects have been approved by the BOG in view of their urgency.

The BWC reviewed the progress of the architectural competition and approved the composition of expert committee given in Annexure. The Committee authorized the Chairman to approve the recommendation of the Selection Committee and recommend to BOG for award of consultancy contract as per their recommendation.

It was further felt that the two buildings - that of Planning & Architecture and the Married students' Hostel are small structures compared to the present contract with M/s Shapoorji Pallonji and are of same nature. The cost involved can be accommodated within the safety margin of the estimate of the ongoing work plus permissible deviation.

The BWC recommends to BOG to approve inclusion of the two buildings costing less than Rs.45 Crores in the existing contract, if M/s Shapoorji Pallonji agrees to work at the original rate without asking for escalation. Time extension up to one year may be given if requested. If permitted by the BOG, the institute may discuss with M/s Shapoorji Pallonji regarding other terms and conditions. The other two contracts will be put on tender after receiving BOG approval.

The FC considered the proposal and directed the following:

- 1) Only the Planning & Architecture Building should be considered.
- 2) The proposal should be sent to CPWD for clarification on procedure and legal issues.
- 3) Since civil construction of M/s Shapoorji Pallonji is going on which is likely to be completed soon. Chairman, BOG was authorized to approve the proposal after receiving reply from CPWD which may be reported in the next meeting.

Any other item with the permission of the Chair.

- ii. **Proposal for Transfer of surplus funds from CCB-2012 and CSAB 2013 to corpus fund of the Institute.**

NIT Rourkela had the opportunity of hosting the JEE counselling for two years- Admission year 2012 and Admission Year 2013. All transactions of CCB-2012 are over, and those of CSAB-2013 are nearly complete. Audited Accounts Statement has been submitted to MHRD and CBSE. Arrear dues to the tune of Rs. 4 crore (approximate) is expected to be received from CBSE.

Accounts of CSAB-2013 are under preparation, and the same will be submitted to MHRD and CBSE shortly. Another Rs.4 crores (approx) is also expected to be received from CBSE on this account.

Pending expenses include approximately Rs.0.5 crore towards reimbursement of student deposits and, if so directed by the Central Government, 1.2 crores towards refund of 50% dues paid by private colleges of Uttar Pradesh. There are no pending court cases, and none is anticipated. However if any such case appears in future, the institute will meet the legal expenses.

The total surplus from CCB 2012 and CSAB-2013 are expected to be between Rs. 14 and 16 crores. It is proposed to transfer this amount in two installments to the Institute corpus fund.

It is further proposed that in the short run, the plan grant may take a loan from the Corpus fund to this extent and meet essential academic expenditure (e.g. opening of L. C. For procurement of Transmission Electron Microscope and grants for product development by faculty and students) which are being delayed, waiting for grants to be received from the Ministry.

Finance Committee and BOG are requested to approve receipt of the surplus funds from CCB-2012 and CSAB-2013 and deposit on Institute Corpus Fund. BOG is further requested to permit temporary loan of money from Institute Corpus Fund to institute plan grant for facilitating procurement of TEM (already approved by BOG) and meeting other essential academic expenses, particularly towards product oriented research. On receipt of plan funds from ministry, the money is to be returned to Corpus grant. If enough money does not come from the Ministry under plan head, the expenditure will be met from the Corpus Fund.

The FC approved the proposal.

The meeting ended with thanks to the Chair.

[Annexure-A3, Page No.30-36]

C) ADMINISTRATIVE PROPOSAL FOR NEW PROJECTS – PART-'A':

BWC:23 (2014)-06: PROPOSAL FOR NEW PROJECTS:

1. Fresh Air Ventilation system for Gymnasium at Swimming Pool, Dinning Hall in CV Raman Hall, Homi Bhaba Hall and Rajendra Mishra Exhibition Hall.

Earlier, the BWC in its meeting held on 13.12.2013 (BWC: 20(2013)-06) (copy enclosed) has given administrative approval for provision of Fresh Air Ventilation System for Dinning Hall of the following Hostels:

- i. Vikram Sarabhai Hall
- ii. G.D Birla & VS Hall of Residence
- iii. D Ambani & Swaminathan Hall of Residence

Presently, the work is in progress in the above Halls. Now, it is felt to provide Fresh Air Ventilation System in the Dining Halls of CV Raman Hall, Homi Bhaba Hall, Rajendra Mishra Exhibition Hall and Gymnasium of Swimming Pool.

The estimated cost works out to about Rs.60 Lakhs.

The BWC approved the proposal.

[Annexure-A4, Page No. 37]

2. Development works in front of Electrical Science Building.

The newly constructed Electrical Science Building is presently in use. It is felt necessary to carry out some development works in front of this building such as parking facility for two wheeler and cars, drainage in the area etc. A sketch showing the parking areas (copy enclosed)

This will cost about Rs.11.0 Lakhs.

The BWC approved the proposal.

[Annexure-A5, Page No. 38-39]

D) APPROVAL OF BOQ AND ESTIMATE FOR TENDERING NEW PROJECT- [PART-'B']:

BWC:23 (2014)-07: PROPOSAL FOR APPROVAL OF BOQ AND ESTIMATE FOR TENDERING FOR NEW PROJECT :

1. Development works in the courtyard behind Metallurgy Department and other Miscellaneous Works.

The work on extension block of Metallurgy Department linking South and Central Wing of the main building has been completed and in use.

However, it is observed that in the courtyard behind the Metallurgy Department, there is a temporary shed, earlier operating as work shop and now shifted to new building, is no longer required. This need to be

dismantled and the area inside should be developed for parking. A sketch showing the same is enclosed. Further, corridor connection is to be done from the new portion of the building to the Metallurgy Department on the 1st floor and Chemistry Department on the 2nd floor respectively. This will be cost about Rs.24.55 Lakhs. Detailed estimate is enclosed

The BWC approved the proposal.

[Annexure-A6, Page No..40-43]

E. APPROVAL OF TENDER FOR AWARD OF WORK [PART-'C']:

BWC:23 (2014)-08: REPORT ON AWARD OF WORKS TO CONTRACTORS.

1. Appointment of Architect for Important Buildings.

The BOG vide resolution No-BOG-40(2014)-05 dt. 09.05.2014, has approved the proposal to take up the following important works (copy enclosed):

- I. Planning & Architecture Department
- II. 120 Seated Married Hostel
- III. Construction of Boundary Wall and Building for NIT, Rourkela Extension Centre at Bhubaneswar

In addition to the above buildings, earlier, the BOG vide resolution No-BOG-38(2014)-05 dt. 17.01.2014 has approved to take up renovation of Existing Academic Building (old) on priority (copy enclosed).

The following twelve Architects (Architects qualified for Major Project (Phase III) + those worked with NIT, Rourkela) were informed to submit the conceptual Design for the four buildings as mentioned above by 04.08.2014.

- | | |
|---|---|
| i. M/s Jay Ambe Ground Designers (P) Ltd, Ahmedabad | } Qualified for M/s Major (Phase III) |
| ii. M/s Arch-en Design, Lucknow | |
| iii. ENARCH Consultant (P) Ltd, Noida | |
| Suresh Goel & Associates, New Delhi | |
| iv. M/s Development Architect (P) Ltd, Kolkata | |
| vi. M/s DDF Consultants (P) Ltd, New Delhi | |
| vii. M/s Mukesh Associates, Salem | |
| viii. M/s Bose Brother Architects, Kolkata | } Architects worked with the Institute. |
| ix. M/s Inform Architects, Bangalore | |
| x. M/s Vastukar, Bhubaneswar | |
| xi. M/s Space Arch, Bhubaneswar | |
| xii. M/s Design Techno, Bhubaneswar | |

In response to the above, the following six firms submitted their Conceptual Design on 04.08.2014.

- i. M/s Development Architects Pvt Ltd., Kolkata
- ii. M/s Mukesh Associates., Salem
- iii. M/s Arch-en Design, Lucknow
- iv. M/s Inform Architects, Bangalore
- v. M/s Space Arch, Bhubaneswar
- vi. M/s Design Techno, Bhubaneswar

Offer of another firm, M/s Jay Ambe Ground Designers (P) Ltd was received on 07.08.2014 (Late Bid), which has been considered for competitive bidding.

All the above mentioned firms applied separately for each of the four buildings except M/s Design Techno who have applied for 3 buildings (i.e. except Renovation & Upgradation of Existing Buildings).

The representatives of the following firms reported at Rourkela on 16.08.2014 and gave their presentation on the Conceptual Design, for the above mentioned buildings:

- i. M/s Development Architects Pvt Ltd., Kolkata
- ii. M/s Mukesh Associates., Salem
- iii. M/s Arch-en Design, Lucknow
- iv. M/s Inform Architects, Bangalore
- v. M/s Space Arch, Bhubaneswar
- vi. M/s Design Techno, Bhubaneswar
- vii. M/s Jay Ambe Ground Designers (P) Ltd

The other firms did not turn up for presentation.

At the outset, the participating Architects were apprised of the selection procedure to be adopted, following the guidelines of Govt. of India under combined quality cum cost based system (CQCCBS).

Further, they were informed on the following:

- i) **Schedule of Payment** (stage wise): The participants were requested to submit their price bids in terms of percentage of the project cost for each building they would like to be considered. A copy of the schedule of payment was handed over to each participant.
- ii) Weighted marks for quality and cost shall be 70% and 30% respectively.
- iii) The qualifying mark for opening of the price bid fixed as 50 out of 100 for quality. Price bids to be opened for top three firms qualified for each buildings.

The above mentioned firms gave their presentation separately for each building in the presence of the above mentioned members.

The members of the Committee deliberated on the presentation made by the architectural firms stated above and scrutinized the Concept design/ drawings submitted by them.

The committee after deliberation on the quality of Conceptual design/ drawings submitted and presentation done by the above mentioned firms for the proposed buildings, gave marks for quality in a process of collective decision making for four buildings (3 new buildings + 1

renovation). The top three firms qualified for each building are as given below whose price bids were opened:

- A. Planning & Architecture Department
 - i. M/s Inform Architects, Bangalore
 - ii. M/s Arch-en Design, Lucknow
 - iii. M/s Design Techno, Bhubaneswar
- B. Married Student Hostel
 - i. M/s Inform Architects, Bangalore
 - ii. M/s Arch-en Design, Lucknow
 - iii. M/s Mukesh Associates., Salem
- C. Rourkela Extension Center of Bhubaneswar
 - i. M/s Inform Architects, Bangalore
 - ii. M/s Arch-en Design, Lucknow
 - iii. M/s Mukesh Associates., Salem
- D. Renovation & Upgradation of Existing (old) buildings
 - i. M/s Inform Architects, Bangalore
 - ii. M/s Arch-en Design, Lucknow
 - iii. M/s Mukesh Associates., Salem

Before opening the price bids, all the representatives of the Architectural firms were informed about the marks secured by their firms in respect of quality for each building.

Then the price bids were opened building wise and the marks were evaluated towards price and then the total marks, taking into consideration weightage factors. The building wise comparative statement for quality-cum-cost is enclosed.

The position of H1 tenderers with their quoted price are as given below:

Sl. No.	Name of Buildings	Name of H1 Tenderer	Quoted Price
1	Planning & Architecture Department	M/s Inform Architects, Bangalore	2.15 %
2	Married Student Hostel	M/s Inform Architects, Bangalore	2.0 %
3	NIT, Rourkela Extension Center at Bhubaneswar	M/s Inform Architects, Bangalore	2.20 %
4	Renovation & Upgradation of Existing (old) buildings	M/s Inform Architects, Bangalore	3.0 %

Considering the above, the members of the committee felt to lower the fees quoted by H1 Tenderers for all the buildings for which they have become H1.

The member of the committee called the representatives of the H1 tenderer and requested him to lower their rates. After prolonged

discussion, they agreed to revise their rates in respect of the buildings as indicated below:

Sl. No.	Name of Buildings	Name of H1 Tenderer	Revised Fees
1	Planning & Architecture Department	M/s Inform Architects, Bangalore	2.15 %
2	Married Student Hostel	M/s Inform Architects, Bangalore	1.90 %
3	NIT, Rourkela Extension Center at Bhubaneswar	M/s Inform Architects, Bangalore	2.20 %
4	Renovation & Upgradation of Existing (old) buildings	M/s Inform Architects, Bangalore	2.90 %

Considering the above, the members of the committee recommended to award the comprehensive Architectural Services to M/s Inform Architects, Bangalore for all four buildings at the agreed fees as detailed above.

The BWC approved the proposal.

[Annexure-A7, Page No.44-47]

2. Construction of (i) Planning & Architecture Department (ii) Married Student Hostel (iii) Bhubaneswar Extension Centre (iv) Renovation and upgradation of Existing Buildings (old).

During the BOG meeting held on 26.09.2014 it was proposed by NIT that the two buildings: Planning & Architecture Department Building and the Married Student's Hostel (120 nos) are small structures compared to the present running contract with M/s Shapoorji Pallonji for Major Project (Phase II) works and are also of the same nature. As such, the cost involved for these two buildings can be accommodated within the safe margin of the estimate of the ongoing work plus permissible deviation. To this, the BOG advised NIT to obtain the opinion of CPWD on the subject. Accordingly, the Superintending Engineer, CPWD at Bhubaneswar was contacted vide our letter no NITR/RG/2014/L566 dt 2.10.2014 (copy enclosed). However, SE, CPWD vide letter No. 23(Misc). CE(EZ-V)/CPWD/2014/4180 (11) dated. 03.11.2014 conveyed the following.

"However, new works which are not within scope of the existing agreement, the practice/procedure is not to entrust new works to existing agency who is executing the agreement to avoid any financial, legal and contractual complication and undue benefit to the contractor."

Considering the above, it is proposed that NIT may follow normal procedure for tendering instead of awarding the work to M/s Shapoorji Pallonji.

The BWC noted the above.

[Annexure-A8, Page No.48-49]

3. Appointment of Consultant for Providing Acoustic Solution for Auditorium / Lecture Halls, Dining Halls of Hostels etc.

The above mentioned buildings are already completed and in use. But it is observed that there is acoustic problem in these areas to a great extent and hence require treatment. Earlier, the BWC in its 22nd Meeting,

held on 06.08.2014 has approved the proposal for appointment of a consultant for the same (copy enclosed).

Accordingly, open tenders were invited through open advertisement in newspaper and NIT website.

In response to the Tender Notice, the following firms have submitted their offers in two parts (Techno Commercial Bid and Price Bid)

- M/s Subramanian Associates, Chennai
- M/s Sonics, Bangalore
- M/s Rahul Associates, Rourkela
- M/s Mukesh Associates, Salem

The techno commercial bids were opened and it was felt to prepare a Technical Comparative Statement indicating their organization, experience, turnover during last 3 year etc. It was also decided to call all the firms to Rourkela for a presentation on the works executed by them on 04.09.2014. Accordingly, they were informed.

The representatives of the following three firms reported at Rourkela for presentation.

- M/s Subramanian Associates, Chennai
- M/s Sonics, Bangalore
- M/s Rahul Associates, Rourkela

Before the presentations, all the representatives of the firms were informed on the following:

- The consultancy works for TIIR Building dropped.
- The selection will be done on quality cum cost basis with weightage factors 0.7 and 0.3 respectively.
- If they wish, they may revise their price bids.

Before the presentation, all the documents submitted by the firms were verified with respect to originals by the members of the committee. The firms also submitted some additional documents.

Then the representative of the three firms gave their presentation.

Since verification of the documents submitted by the firms could not be completed on this day, it was decided to postpone the date of opening of the price bids as evaluation of quality is linked with the data submitted by the firms.

After verification of the documents submitted by the firms, Technical Comparative statement was updated.

The members of the committee went through the comparative statement and other documents and gave marks for quality.

The committee observed that M/s Rahul Associates are not qualified for the works as they do not fulfill the eligibility criteria. The other firms (i.e. M/s Subramanian Associates & M/s Sonics) are found qualified for the above work.

Accordingly, the qualified firms (i.e. M/s Subramanian Associates & M/s Sonics) were informed about the opening of the price bids scheduled on 16.09.2014 and to send their representative to Rourkela to be present at the time of price bid opening.

The price bids were opened on 16.09.2014 and since none of the representatives of the firms were present, they were informed telephonically about the result. It is observed that M/s Sonics have become L1 at a value of Rs. 7.25 Lakhs. Further, they had given certain conditions for payment such as payment of 50% advance, Payment Schedule, Project Time Schedule etc. which were felt not reasonable.

Considering all the above, M/s Sonics were informed telephonically to reduce their fee, and revise their Payments Schedule, Project Time Schedule etc and intimate the committee at the earliest.

The members of the committee went through the letter received from M/s Sonics, Bangalore indicating revised reduced offer of Rs. 7, 10,500.00, revised payment schedule, revised project time schedule etc. and all these are found reasonable.

The members of the committee recommended to award the work to M/s Sonics at a lumpsum value of Rs. 7, 10,500.00 (Rupees Seven lakh Ten Thousand Five Hundred only).

The BWC approved the proposal.

[Annexure-A9, Page No.50]

4. Providing False Ceiling (Bulkhead type) to conceal Existing Indoor AC Units of South & North Guest House.

Earlier, the BWC in its 22nd Meeting held on 06.08.2014, approved the administrative proposal of extension of the above work (copy enclosed).

Accordingly, tenders are invited from NIT registered civil contractors of category A, B, C & D who have executed similar works, in two parts (EMD, and price bid)

In response to the Tender Notice for the above work, the following three firms have submitted their offers:

- M/s Rourkela Fabrication
- M/s A.K. Mohanty
- M/s Indian Project Associates

The members of the Committee opened the envelopes containing the EMDs and found that they have submitted required amount towards EMD.

Then the price bids of the above mentioned firms were opened. It is observed that M/s Rourkela Fabrication have become L₁ at a quoted price of (+) 2.00% above the estimated rates of Rs. 654000.00.

The Tender Committee recommended to award the work to M/s Rourkela Fabrication at a price of 2% above the estimate (i.e. Rs. 667080.00)

The BWC approved the proposal.

[Annexure-A10, Page No.51]

5. Finalization of the Rate Contract (Civil) 2014-15.

The present NIT Rate Contract (Civil) is valid up to 31.10.2014. In the meantime, action has been initiated to update the Rate Contract. A duly constituted committee has already scrutinized the basic rates of materials collected from the local market and analysis of the rates for

various items is being done based on the approved materials rates, prevailing labour rates and followings CPWD norms. However, this will take some more time for finalization. *In the meanwhile, the committee has recommended to extend the validity of the present Rate Contract up to 31st March, 2015.*

The BWC noted the above.

6. Construction of Kabbadi court (2 nos), Volleys ball court (2 nos), Basket Ball court (2 nos), Foundation of Missile / Jet, and painting for PT Usha Sports Complex.

It is felt necessary to construct Kabbadi court (2 nos) volleys ball court (2 nos), Basket Ball court (2 nos), Foundation of Missile / jet, and painting for PT Usha Sports Complex

Accordingly, tenders are invited from NIT registered civil contractors, in two parts (EMD, and price bid)

In response to the Tender Notice for the above work, the following four firms have submitted their offers:

- M/s P C Mohanty
- M/s Eastern Infrastructure
- M/s Indian Project Associates
- M/s Bijay Construction

The members of the Committee opened the envelopes containing the EMDs and found that they have submitted required amount towards EMD.

Then the price bids of the above mentioned firms were opened. It is observed that M/s P C Mohanty have become L₁ at a quoted price of (-) 15.00% below the estimated rates of Rs. 2287150.00.

The Tender Committee recommended to award the work to M/s P C Mohanty at a price of 15% below the estimate (i.e. Rs. 1930583.00).

The BWC approved the proposal.

7. Name board and other miscellaneous work in CV Raman Hall.

It is felt necessary to construct Name board and other miscellaneous work in CV Raman Hall

Accordingly, tenders are invited from NIT registered civil contractors, in three parts (EMD, Techno-commercial and price bid)

In response to the Tender Notice for the above work, the following three firms have submitted their offers:

- M/s Sudarsana Dash
- M/s S K Dash
- M/s Adarsh Enterprises

The members of the Committee opened the envelopes containing the EMDs and found that they have submitted required amount towards EMD.

Then the price bids of the above mentioned firms were opened. It is observed that M/s Adarsh Enterprises have become L₁ at a quoted price of (-) 08.10% below the estimated rates of Rs. 1072215.00.

The Tender Committee recommended to award the work to M/s Adarsh Enterprises at a price of 08.10% below the estimate (i.e. Rs. 985366.00).

The BWC approved the proposal.

8. Construction of Night Canteen Kiosk for CV Raman Hall, VS Hall and HB Hall.

It is felt necessary to construct Night Canteen Kiosks for CV Raman Hall, VS Hall and HB Hall.

Accordingly, tenders are invited from NIT registered civil contractors, in three parts (EMD, Techno-commercial and price bid)

In response to the Tender Notice for the above work, the following three firms have submitted their offers:

- M/s Predeep Patra
- M/s S K Dash
- M/s Sudarsana Dash

The members of the Committee opened the envelopes containing the EMDs and found that they have submitted required amount towards EMD.

Then the price bids of the above mentioned firms were opened. It is observed that M/s Predeep Patra have become L₁ at a quoted price of (-) 08.05% below the estimated rates of Rs. 909195.00.

The Tender Committee recommended to award the work to M/s Predeep Patra at a price of 08.05% below the estimate (i.e. Rs. 831913.00).

The BWC approved the proposal.

9. Acoustic False Ceiling and Paneling at Language Lab in Lecture Hall Complex.

It is felt necessary to provide acoustic false ceiling and paneling at Language Lab in Lecture Hall Complex.

[Annexure-A15, Page No.85-87]

BWC:23 (2014)-10: Any other item with the permission of the Chair.

1) Installation of Water Softening Plant for Central AC System.

Soft water is required for make-up of losses in condenser cooling water circuit and chilled water circuit of central air conditioning system. In order to provide soft water for on-going Central AC Project, it is proposed to install one Water Softening Plant of 10CuM/Hr capacity near AC plant. The estimated cost will be Rs.15 Lakhs(approx.).

The BWC approved the proposal.

2) Installation of Heat Exchanger for Central AC System.

In order to gainfully utilize waste heat from condenser cooling system of Central AC Plant for warming up swimming pool water, one Heat Exchanger along with a pump will be installed near swimming Pool. The estimated cost will be Rs. 50 lakhs (approx.).

The BWC approved the proposal.

3) Implementation of barrier-free environment in the buildings

Based on the Judgment of Supreme Court of India dated 26.03.2014 in WP (Civil) No. 116 of 1998 – Justice Sunanda Bhandare Foundation V/s Union of India & Anr. And MHRD letter no. F.No.21-82/2014-TS.II dated 03.11.2014, BWC discussed barrier-free environment in the buildings, which would include provision of ramps, rails, lifts, adaptation of toilets for wheelchair users, brail signages and auditory signals, tactile flooring etc to PwDs as envisaged in the PwD Act.

The proposal given by Dean(PD) which was forwarded to Ministry of Social Justice was discussed.

Preference order	Description of Proposed buildings	Number of buildings	Estimated Cost in (Lakhs rupees)
1	Lift for Academic Buildings (≥ 3 floors)	10	446.52
2	Ramp in selected Academic Buildings	3	219.00
3	Lift for Academic Buildings (≈ 2 floors)	5	134.85
4	Lift for Hostel Buildings	10	460.52

In addition to above, the estimated cost for website development for PwDs is Rs.24 lakhs. Total financial involvement = Rs.12,84,89,000=00 (Twelve Crore Eight Four Lakhs and Eighty Nine Thousand Rupees)

It will be prudent to take up the job in phases, the first phase being limited to 3 ramps and 15 lifts in the academic area and website creation for PwDs with an overall investment of Rs.8,24,37,000 (Eight Crores Twenty Four Lakhs and thirty Seven thousand Rupees only) and 10 lifts in hostel area costing Rs.4,60,52,000 (Four Crores Sixty Lakhs and Fifty Two Thousand Rupees) in second phase. It was decided to send the proposal to MHRD for necessary action.

Further it was decided that the lift provided near the main entrance (Bhubaneswar Behera statue) is nearly 8 years old and is giving problem frequently for which PwD students are suffering. Though the repair work has been carried out and AMC was awarded, availability of the lift for use is very poor. In view of the above, it was decided to shift the lift to less important area such as MN/CR/CH Dept etc. Instead, a new lift of OTIS make will be procured for the main entrance since other lifts of the institute are of OTIS make.

1. [Clause.3]	IITs and NITs have to coordinate the procedure for selecting top 10% of the students from NITs for Ph.D. direct enrolment into Ph.D. programme after B. Tech with a provision to exempt students from NIT from GATE examination provided they have a CGPA of at least 7. She desired to know the implementation status of the Trainee Teachers scheme whereby the teacher aspirant can teach in an NIT and do a Ph.D. in an IIT.	With strong Ph.D. programmes in all Departments, we urgently need faculty with Ph.D. degrees. We are now recruiting only Ph.D. holders and candidates expecting Ph.D. shortly from reputed Institutes. When the position is comfortable we may hire B. Tech from NITs for faculty position.
2. [Clause.3]	"Unnat Bharat Abhiyan", an initiative which seeks to connect our institutions of technical study and education with rural technology, the details of which will be shortly shared by the Ministry with all the NITs.	Guideline from MHRD is awaited.
3. [Item No.7.5 (iii)]	Continuous improvement of teacher will be facilitated by designing a reward system which should be linked with their career advancement.	Propose to discuss in next meeting of BOG.
4. [Item No.7.5(v)]	Director NITs to give their point of views as to what kind of a national framework we should have for ranking our own Institutions. The written suggestions are invited within next one month.	Under preparation.
5. [Item No.7.5 (vi)]	'There has to be external review of NITs. A Minor review once in 6 years is desirable'. With regard to the parameters, modus operandi and yardsticks of the committee for external review, the Hon'ble HRM informed that the Ministry would be communicating the broad parameters, framework for constitution committee and the deadline.	Guideline from MHRD is awaited.
6. [Item No.8.5]	Actionable points arising out of the conference of Directors of NITs with the Visitor held on 7-8 November, 2013. Additional Secretary (TE) requested all NITs to quickly send compliance as the ATN will be discussed in impending Visitors Conference on 29-30 th October, 2014.	Report presented before the Hon'ble visitor and uploaded on website of Rashtrapati Bhavan.
7. [Item No.8.6]	The Council of NITs resolved that since the orders have already been issued by the Ministry based on the relaxations given by the Ministry of External Affairs, which permits hiring of faculty from abroad at the lower limit of \$14,000/- per annum. The NITs have been advised to follow the Orders of MHRD in this regard.	Faculty advertisement already made. If we get applications from foreign nationals we shall consider on merit.

Minutes of the 8th meeting of the Council of NITs held on 25.09.2014
at India Habitat Centre, Lodhi Road, New Delhi--

.....

The 8th meeting of the Council of National Institutes of Technology (NITs) was held under the Chairpersonship of Smt. Smriti Zubin Irani, Hon'ble Minister of Human Resource Development on 25th September, 2014 at the India Habitat Centre, Lodhi Road, New Delhi. The list of participants who attended the meeting is placed at Annexure. The Council granted leave of absence to the members who could not attend the meeting due to their prior commitments or other compelling reasons.

2. At the outset, Shri Amarjeet Sinha, Additional Secretary (TE), Ministry of Human Resource Development and the Member Secretary of the Council of NITs, on behalf of the Council, conveyed the warm welcome to Hon'ble Minister of Human Resource Development who is also the Chairperson of the Council. He also welcomed the Chairpersons of Board of Governors of NITs, the Directors of the NITs and other members of the Council. He said that the performance of some of the NITs is commendable and other NITs should also catch up with these NITs. He mentioned that he is hopeful that important issues such as shortage of faculty, empowering Board of Governors, retention of faculty will be handled adequately in this meeting.

3. Hon'ble HRM and the Chairperson, Council of NITs, in her opening remarks reminded NITs to scale up their quality of education and empower graduate with skills and competencies required in a globally competitive world in consonance with the vision with which Government in 2003 upgraded 17 Regional Engineering Colleges (RECs) as National Institutes of Technology (NITs) with greater functional autonomy and single point financial support from the Central Government.

The Chairperson mentioned that the discussion in today's meeting should be on issues which have been the focus areas of the Visitor's review on NITs on the 7th & 8th November, 2013 and the same shall be reviewed again in the upcoming Visitors conference on 29th & 30th October, 2014. Hon'ble HRM expressed her serious concern for shortage of faculty in NITs and mentioned that our highest priority have to be augmenting faculty strength which was also discussed in the Visitor's conference last year. Hon'ble HRM desired to know the progress in this regard institution-wise and time bound plan to fill up these positions.

The Chairperson also emphasized on recruitment of good quality faculty, implementing four tier flexible cadre structure with open merit based competitive recruitment, implementation status of programme drawn up for continuous teacher training and certification as well as system of annual faculty review and augmenting Ph.D. graduate as faculty. Hon'ble HRM reminded that IITs and NITs have to coordinate the procedure for selecting top 10% of the students from NITs for Ph.D direct enrolment into Ph.D. programme after B.Tech with a provision to exempt students from NIT from GATE examination provided they have a CGPA of atleast 7. She desired to know the implementation status of the Trainee Teachers Scheme whereby the teacher aspirant can teach in an NIT and do a Ph.D. in an IIT and also enquired whether there is a system for reporting data against the baseline that we can assess the impact of such schemes in augmenting Ph.D.

In context of one of the agenda of the Visitor's Conference with NITs regarding steps required for deepening research and technological innovation & meeting National Development goals, the Chairperson said NITs should come a part of the ten National Research Goal course that the IITs are working on so that best institutes together synergize their research effort for a nation.

Hon'ble HRM also highlighted the requirement of curriculum updation and pedagogical innovations and also ICT enable learning. She mentioned that another challenge for the NITs family is the industry academia collaborations and there is a need to create a eco-system with higher chance to transiate new knowledge acquisition into new technologies and innovative products.

Hon'ble HRM said that NITs should also get involved in the 'Unnat Bharat Abhiyan', an initiative which seeks to connect our institutions of technical study and education with rural technology, the details of which will be shortly shared by the Ministry with all the NITs. The Chairperson also flagged the issue of leadership at various levels in the Institute, focus on the students of North East and encourage greater interactions with the best institutions across the nation, and participation of NITs in the 'Ishan Vikas' and 'Ishan Uday' Scheme of the IITs and the UGC, respectively.

Hon'ble HRM emphasized the need to initiate external evaluation of the NITs as the IITs have done. The IIT peer review methodology can be used and should be taken up by all NITs in a time bound manner.

Hon'ble HRM motioned that through GIAN, we hope to fund the visits of researchers and scholars across the country and desired to know the NITs wish list with regards to GIAN to facilitate the passage of such researchers and scholars to NITs. She also opined that the Hon'ble President in his meeting with the NITs Directors would also like to discuss initiatives for capacity development of faculty.

4. Subsequently, Additional Secretary (TE), MHRD sought permission of the chair to initiate discussions on the basis of agenda, which is mentioned below:

Item No.8.1 : Confirmation of the Minutes of the 7th meeting of the Council of NITs held on 18.10.2013.

Member Secretary and Additional Secretary (TE), Shri Amarjeet Sinha mentioned that the minutes of the 7th meeting of the Council of NITs held on 18.10.2013 were circulated amongst the members of the Council and were also posted on the website of NIT Council. However, no comments were received. The Council of NITs unanimously consented to confirm the minutes.

Item No.8.2 : Action Taken Report on the minutes of the 7th meeting of the Council of NITs held on 18.10.2013.

The Council of NITs took note of the action taken on various issues / actionable points arising out of the minutes of the 7th meeting of the Council of NITs held on 18.10.2013.

7.5 (ii)	The top 15% meritorious students from NITs and others CFTIs can be engaged as trainee teachers at NITs after due selection at NIT's, including their selection for M.Tech-cum-Ph.D programme by IITs. Each NIT will work out a prospective faculty recruitment plan for next five years based on current vacancies, projected growth, retirements and expected resignations.	The progress with regard to implementation of the Trainee Teacher Scheme was apprised to Hon'ble HRM by the Directors of NITs. NIT, Delhi will start the programme from next academic year due to space constraints. NIT Manipur expressed problem of unavailability of e-learning infrastructure between NIT and IIT. Other suggestions were offered by Directors of NITs. Hon'ble HRM desired that these suggestions may be sent to Ministry which can be studied.

Additional Secretary (TE), MHRD requested all NITs to take necessary actions on all the actionable points of earlier Council meetings at the earliest.

Item No.8.3 : Changes in the Membership of the Council.

The Council of NITs welcomed the new Chairperson, Hon'ble HRM and members of the Council and placed on records its appreciation for the services rendered by the outgoing members.

Item No.8.4 : (a) Kakodkar Committee Report.

The draft report of the Kakodkar Committee has been presented and commented upon. Based on all the inputs, which has been received, the Committee has now finalized its report and the stage has come where an Implementation Committee is to be set up to follow up on this. Dr. Anil Kakodkar made a presentation on the Committee before the Council of NITs. A copy of the final report has also been shared with all the participants of the Council of NITs.

Item No.8.4 : (b) Formation of Implementation Committee to oversee its implementation as per Standing Committee recommendation.

Additional Secretary (TE), MHRD pointed out that Standing Committee has recommended that MHRD may be authorized to notify an implementation committee for the implementation of Kakodkar Committee report. The Council approved the recommendation of Standing Committee.

Item No.8.5 : (a) Action Taken Report on actionable points arising out of the Conference of Directors of NITs with the Visitor held on 7-8 November' 2013.

Council of NIT took note of Action Taken Report on actionable points arising out of the Conference of Directors of NITs with the Visitor held on 7-8 November' 2013. Additional Secretary (TE) requested all NITs to quickly send compliance as the ATN will be discussed in impending Visitor's Conference on 29-30th October'2014.

Item No.8.5 : (b) Entrusting follow up of actionable points arising out of the Conference of Directors of NITs with the Visitor to 'Implementation Committee'.

Additional Secretary (TE), MHRD said that is has also been suggested that above mentioned implementation committee may also do follow up on actionable points arising out of Visitor's conference with NITs last year as there are many common issues with Kakodkar Committee's report. The Council approved the proposal. MHRD will be issuing the notification.

Item No.8.6 : Hiring of Foreign Faculty in NITs.

The Council of NITs resolved that since the orders have already been issued by the Ministry based on the relaxations given by the Ministry of External Affairs, which permits hiring of faculty from abroad at the lower limit of \$14,000/- per annum. The NITs have been advised to follow the Orders of MHRD in this regard.

Item No.8.7 : Appointment of Deputy Directors in NITs.

Hon'ble HRM said that a draft proposal will be prepared by Ministry for the guidance of BoGs of NITs for the process of appointment of Deputy

Subject:- Actionable points arising out of the minutes of the 8th meeting of the Council of the National Institutes of Technology (NITs) held on 25th September, 2014 at India Habitat Centre, Lodhi Road, New Delhi.

Sir,

As you are aware, the 8th meeting of the Council of National Institutes of Technology was held under the Chairpersonship of Hon'ble Minister of Human Resource Development on 25th September, 2014 at India Habitat Centre, Lodhi Road, New Delhi. The minutes of the meeting have already been circulated and also uploaded on the website of the Council of NITs.

2. The matter regarding entrustment of the responsibility of the Direct Admission of Students Abroad (DASA) Scheme was deliberated in the Council of NITs. The Council of the NITs after detailed deliberations on the Agenda Item No.8.10 resolved that for the academic year 2015 - 2016, the DASA Scheme shall be administered by Malaviya National Institute of Technology (MNIT) - Jaipur (Rajasthan).

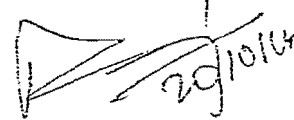

3. The other terms and conditions for implementation of the DASA Scheme will remain same as conveyed vide this Ministry's letter No.F.22-12/2007-TS.III dated 4th March, 2010 (copy enclosed).

4. As resolved by the Council of NITs in its previous meetings, the selection of students for admissions in the NITs and other CFTIs under DASA Scheme shall continue on the basis of SAT scores. The Scheme would be taken on self-sustenance basis and no extra funds would be provided from this Ministry in this regard. The Institute should make all out efforts so as to ensure fullest utilization of the capacity under the Scheme.

5. NITK – Surathkal will continue to handle the Court Cases, if any, till conclusion of DASA – 2014 and any Court Case arising out of the process of DASA – 2015 will come under the jurisdiction of High Court of Jaipur at Rajasthan.

6. This issues with the approval of the competent authority in the Ministry.

Yours faithfully,

Subject : Relaxation in the income criteria for grant of Employment Visa in respect of foreign faculty engaged by Indian Institutes of Technology (IITs), National Institutes of Technology (NITs) and Central Universities.

Sir,

I am directed to say that as per para 5.2 (viii) of the Visa Manual, a foreign national being sponsored for an Employment Visa in any sector should draw a salary in excess of US\$ 25,000 per annum, except in the case of certain specific categories mentioned therein. Ministry of Human Resource Development (Department of Higher Education) has submitted a proposal seeking relaxation from the minimum salary condition for grant of Employment Visa in respect of foreign faculty engaged at the level of Assistant Professors and above by the Centrally Funded Technical Institutes (CFTIs) and Central Universities.

2. The matter has been examined. It has been decided, with the approval of the competent authority, to fix a reduced minimum income criteria of US\$ 14,000 per annum for grant of Employment Visa for foreign nationals being engaged by Indian Institutes of Technology (IITs), National Institutes of Technology (NITs) and Central Universities for the post of Assistant Professors and above for teaching faculty subject to the following conditions:-

- (a) This relaxation will be given initially for a period of two years i.e. till 31.12.2015 and the position will be reviewed taking into account the progress in the intake of foreign faculty. However, withdrawal of the exemption after 31.12.2015 will not affect the terms and conditions of the foreign faculty already recruited under the above policy

F.No.33 – 6 / 2013 – TS.III
Government of India
Ministry of Human Resource Development
Department of Higher Education

Shaatri Bhawan, New Delhi,
dated, the 27th October, 2014

To

The Directors,
of National Institutes of Technology.

Subject:- Proposal for appointment of Deputy Directors in the NITs
regarding.

Sir,

I am directed to refer to this Ministry's letter of even number dated 2nd September, 2013 on the subject mentioned above and to the minutes of the 8th meeting of Council of NITs held on 25.09.2014 wherein it was decided that a draft proposal will be prepared by Ministry for guidance of BOCs of NITs for the process of appointment of Deputy Director keeping in view of NITSER Act, 2007 and First Statutes and the BOCs of respective NITs may take necessary steps accordingly.

2. In this context, it may be relevant to mention here that after omission of the word "Deputy Director" in Section 24 of the NITSER Act, 2007, "all appointments of the staff of every Institute, except that of the Director, shall be made in accordance with the procedure laid down in the Statutes, by:-

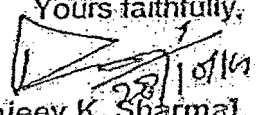

- (a) the Board, if the appointment is made on the academic staff in the post of Lecture (now Assistant Professor) or above or if the appointment is made on the non-academic staff in any cadre the maximum of the pay scale for which exceeds rupees ten thousand five hundred;
- (b) the Director, in any other case."

3. Thus from the above provisions, it is clear that the appointment of Deputy Director in NITs is to be made by the Board as per Section 17 (5) and 24 (a) of the NITSER Act, 2007 until further amendments are taken up in the NITSER Act, 2007. The manner referred in the Statutes No.18 of the First Statutes framed by the Central Government in 2009 needs to be modified in view of the recent

amendments in the principal Act. The amendments proposed to be carried out in Statutes No.18 (1) in conjunction with the amendments in Section 17 (5) and Section 24 of the NITSER Act, 2007 are as under

- (1) The appointment of the Deputy Director shall be made by the Board on the recommendations of the Selection Committee Constituted in terms of provisions under Statutes 23 (5) (b) of the First Statutes of NITs.
4. Statutes 18 (2) to 18 (5) of the First Statutes shall remain as it is and appropriate modifications shall be carried out in the Contract of Service specified in Schedule-B of the First Statutes.
5. It may be worthwhile to mention here that any proposal for amendment in the First Statutes of NITs can be initiated only with the approval of the Board of Governors of the concerned NIT in terms of Statute No.5 of the First Statutes which provides, inter-alia, *that the Board shall be empowered to make, modify or cancel the Statutes with the approval of the Hon'ble Visitor, from time to time and the new Statutes, additions or amendments of the existing Statutes shall be applicable only after the assent of the Hon'ble Visitor.*
6. You are, therefore, once again requested to place the issue before the BOG and communicate the approval of the Board for amendments in the First Statutes of NITs at the earliest possible to enable Board of the NITs to appoint Deputy Directors.

F.No.33 - 4 / 2012 - TS.III
Government of India
Ministry of Human Resource Development
Department of Higher Education

Shastri Bhawan, New Delhi,
dated, the 28th February, 2012

To

The Directors,
of 20 Older NITs.

Subject:- Proposal for raising the age of retirement of Directors of National Institutes of Technology (NITs) as per decisions taken in the 2nd meeting of the Council of NITs held on 28.06.2011 – regarding.

Sir,

I am directed to state that the proposal for enhancement in the age of retirement of Directors of National Institutes of Technology (NITs) was placed before the Council of NITs vide Item No.2.17 in its 2nd meeting held on 28.06.2011 at New Delhi. After discussion, the Council of the NITs in its 2nd meeting held on 28.06.2011 approved the proposal for raising the age limit of the Directors of NITs to 70 years in line with that of the Directors of IITs and Vice – Chancellors of Central Universities.

2. In this regard, it may be stated that notwithstanding the Resolution of the NIT Council, any proposal for amendment in the First Statutes of NITs can be initiated only with the approval of the Board of Governors of the concerned NIT. In this regard, attention is drawn to Statute No.5 of the First Statutes of all the NITs notified by the Central Government on 23.04.2009 which provides, inter-alia, that the Board shall be empowered to make, modify or cancel the Statutes with the approval of the Hon'ble Visitor, from time to time and the new Statutes, additions or amendments of the existing Statutes shall be applicable only after the assent of the Hon'ble Visitor. Since, the retirement age of Director has been prescribed under the Schedule 'A' attached to Statutes No.17(2) of the First Statutes of NITs, it is imperative that any resolution in this regard is made first by the Board of Governors of the Institute before the same is submitted to the Hon'ble Visitor for consideration and approval.

3. In view of the above, it is advised that each NIT shall bring a regular item in their agenda for consideration by their respective BOGs before the proposal(s) for amendment in the First Statutes of NITs are submitted for due consideration and approval by Hon'ble Visitor.

Yours faithfully,

[R.D. Sahay]
Joint Secretary (NITs)

REPORT
~~ORDER~~

The brief facts giving rise to this proceeding is as follows:-

That on 31.10.2010 morning the main gate and Jagda gate of NIT, Rourkela were locked preventing the residents from leaving the campus and others including the Director of the Institute from entering the campus. Those persons present there demanded that unless the old gate

of the campus is opened, they will not open the new gate. After much negotiation, the Director accepted the demand to open the old gate and thereafter the new gate was opened.

A fact finding committee was constituted consisting of 5 (Five) members, all Professors of NIT, Rourkela headed by Prof. A. Behera as Chairman to look into the matter and to submit a report on probable involvement of any employee in the said incident. The Fact Finding Committee observed that Prof. U.K. Mohanty planned the closure of the main gate and Jagda gate and to implement the same, he invited three faculty members including Prof. S.K. Agarwal and locked the main gate with chain and lock and kept the key in his pocket, till such time the Director accepted his demand to open the old gate.

On the above observation of the Fact Finding Committee, charge sheet for violation of conduct rule and action unbecoming of a Professor of NIT was issued to Prof. U.K. Mohanty which reads as follows:-

- 
- i) **"You planned the closure of Main and Jagda gates and invited three faculty members to join you for implementing your plan.**

- ii) You seized the main gate, locked it with a chain and a lock and kept the key in your pocket; till such time that the director accepted your demand to open the old gate. Thus compromising the security of the campus,

Consequently, you are charged with the offence of obstructing 5000 odd residents (students, employees, family members and guests) from leaving the campus and other including the Director of the Institute from entering the campus for over four hours on 31.10.2010, thereby causing immense hardship and inconvenience to everyone. By this you have committed serious insubordination and violation of Conduct Rules”.

Prof. U.K. Mohanty was called upon to submit his explanation to the above charges. The charged Professor in his explanation has denied all the charges framed against him and had pleaded innocence. His contention is that 31.10.2010 he heard that a crowd comprising mostly outsider had gathered near the new gate being upset over digging of a trench across the old gate. He apprehended trouble for the residents of the NIT Campus and hence he telephone many of his colleagues so that they can proceed to the spot to pacify the crowd, but none except Prof. Agarwal responded. The new gate was closed and locked by the time he reached and he had no idea who did it. It is further contended that there was a big gathering and there was exchange of hot words. A part of the crowd wanted to enter the premises and some of them including police were preventing the crowd from entering the premises. At that time

someone pushed the key of the gate in his pocket and he immediately arranged for opening of the gate after consulting the police present. According to him he had no role to play in the closing of the main gate. Hence, he submits that he may be exonerated from the charges.

To bring home the charges against the charged professor, the department has examined four witnesses i.e, Pulak Kumar Sahoo, Gyanadev Jena, Prakash Ku. Bhuyan & Balaram Champati as Departmental Witnesses No.1 to 4 respectively.

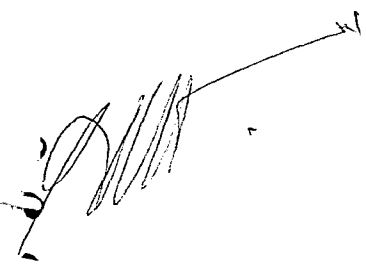

The evidence of witness No.1 for the Department is that on 31.10.2010 he was on duty as a security guard at Jagda gate of NIT, Rourkela from 6:00 A.M. to 2:00 P.M., on that date at about 7:00 A.M. Prof. S.K. Agarwal alongwith 20 to 25 persons came in a body and locked the Jagda gate. He has further stated that some students brought a sick student in a motor cycle to take him to Hospital situated outside the gate but, as those persons did not open the gate inspite of their request they broke the chain and opened the gate and the sick student was taken outside through that gate.

The evidence of witness No.2 for the Department is that on 31.10.2010 he was on duty as a security guard at the Main gate of NIT, Rourkela from 6:00 A.M. to 2:00 P.M., on that date at about 7:00 A.M. around 15 to 20 persons came near the gate and out of

them some persons were inside the gate and someone were outside the gate. Those persons gave slogan "NIT Murdabad". He has further stated that Mr. R.C. Mallick, Mr. Bulu Mohanty, Mr. Jagdish Kar, & Mr. Ashok Pattnaik and some staff of NIT, Rourkela whose name he do not known were present among those person.

The evidence of witness No.3 for the Department is that on 31.10.2010 he was on duty as a security guard at Main gate of NIT, Rourkela from 6:00 A.M. to 2:00 P.M. On that date at about 7:00 A.M. some staff member of NIT, Rourkela came near them and asked them as to who has closed the old gate and they expressed their ignorance to it. Thereafter, those staff after discussion amongst themselves, locked the main gate and at that time some persons of the market were also amongst them. He has further stated that Prof. S.K. Agarwal, Mr. Bulu Mohanty, Prof. U.K. Mohanty, Mr. Jagdish Kar, Prof. B.K. Paul and some staff of NIT, Rourkela were present in the gathering and Prof. Agarwal gave the slogan "NIT Murdabad REC Zindabad".

The evidence of witness No.1 & 2 for the department is silent about the presence of the charged professor at the spot of occurrence. But their evidence reveals that some staff of NIT, Rourkela came near the main gate and locked the same. But the witness No.3 for the department has specifically stated that the

charged officer alongwith some other professors and staff of NIT, Rourkela were present in the gathering.

The evidence of witness No.4 for the Department is that on 31.10.2010 he was working as Security Officer of NIT, Rourkela on that date at Prof. P.C. Panda who was in-charge of Director, Rourkela told him over telephone that Prof. U.K. Mohanty have told him over telephone that he alongwith some teaching and non-teaching staff are going close the new gate of NIT, Rourkela and asked him to look in to the matter. Thereafter he telephoned the Guard deployed at the new gate and on enquiry he told him that some non-teaching and teaching staff including Prof. U.K. Mohanty have gathered near the old gate of NIT, Rourkela. Those persons asked them to hand over the key of the gate to them and when they refused those persons brought their own chain lock and key and locked both the gate (Main gate and Wicket gate) those persons also close the Jagda gate to prevent the Director from entering inside the campus. Thereafter he immediately informed the matter over telephone to the Director, Prof. Sarangi who was coming to Rourkela by Tapaswini Express which was scheduled to arrive at Rourkela at 8:00 A.M. As per the instruction of the Director, he has informed the matter over telephone to the In-charge of Sector-3 Police Station. His evidence further reveals that the Director arrived at the New gate at about 8:15 A.M. and thereafter the Police party also arrived there.

The Director negotiated with Prof. U.K. Mohanty who was present there and requested them to open the gate. The Police also requested the persons present there to open the gate but they did not agree and told that, if the Old gate is open then they will open the new gate. He has further stated that the persons present inside and outside the gate gave slogan "NIT Murdabad REC Zindabad". After negotiation by the Police, Civil Administration and the Director with the persons who had closed the New gate, it was decided that the Wicket gate of the Old gate will be opened temporarily and accordingly the Wicket gate of the Old gate was opened. After it was opened Prof. U.K. Mohanty gave the key of the New gate to Mr. R.C. Mallick who opened the New gate. Thereafter situation became normal.

The Witness No.4 for the department is said to have given a report about the incident to the Director. It is elicited in his cross examination that he has not mentioned in his report that Prof. U.K. Mohanty handed over the key to Prof. R.C. Mallick who opened the lock. No such report is filed either by the department or by the charged officer. But since the presence of the charged officer at the spot with key in his pocket is admitted by him it is not material as to whether he has mentioned about it or not in his report.

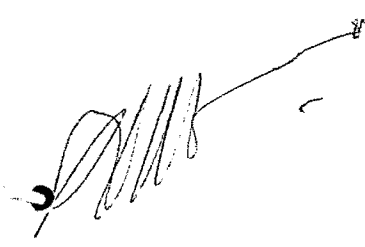

While admitting that the key of the lock was in his pocket, he has come forward with a plea that, somebody in the crowd had pushed the key of that gate in his pocket which he could not notice at that time but subsequently he handed over the key to Prof. Agarwal who open the lock of the main gate.

In support of this plea, the charged officer has examined one Prafulla Ku. Rana as D.W.1.

The evidence of D.W.1 is that on 31.10.2010 he alongwith some residents of NIT Campus have assembled in front of the new gate as on the previous night a trench was dug in front of the Old gate and the said gate was also locked. According to him the new gate was locked by one Nabaghana Nayak, a shopkeeper of Sector-1 and he handed over the key to him for safe custody. He has further deposed that Prof. U.K. Mohanty was advising them to maintain normalcy and was engaged in diffusing the situation. He has further deposed that after arrival of the Director and with the assistance of local administration including Police discussion took place and the Director, NIT ordered to re-open the Old gate and on hearing this, it was decided to open the New gate and he dropped the key in the pocket of Prof. U.K. Mohanty as he was playing an active role to pacify the situation and he apprehended that the Police may register a case against him for locking the Main gate.

By examining D.W.1 the charged professor has come forward with a plea that D.W.1 has inserted the key of the lock of the main gate in his pocket. D.W.1 admits in his cross examination that he knew the charged professor since long as he was a customer of his shop situated outside the old gate. Hence, the charged professor must be aware that D.W.1 has inserted the key of the lock in his pocket. It is not understood why he did not disclose in his earlier explanation or statement of defence that it is D.W.1 who has inserted the key in his pocket. It is also not believable that a senior professor like him could not know when a key is inserted in his pocket. If D.W.1 was aware that he may be involved in a criminal case, he would not have received the key from Nabaghana Nayak and if received he could have throw it away. But he choose to insert the key in the pocket of the charged professor. If the charged professor do not know as to who has locked the main gate how could he know that the key found in his pocket is that of the lock of the main gate ?

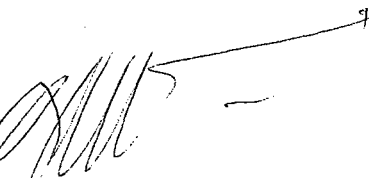

Thus, I hold that the charged professor had either locked the main gate himself or it has been done at his instance and he had kept the key of the lock in his pocket till such time the Director accepted their demand to open the old gate. The plea of the

charged professor is an afterthought and hence I am not inclined to believe such a plea.

As regard the presence of the charged professor at the spot of occurrence, his plea is that he received information that an agitated crowd had gathered near the new gate and apprehending trouble, he immediately proceeded to the spot to pacify the matter and had he not been there the situation could have gone out of control:

In support of his contention, he has examined one Pravakar kar as D.W.2. The evidence of D.W. 2 Pravakar Kar is that on 31.10.2010 when he was passing through NIT, he found the shopkeepers and some other people of Sector-1 alongwith some residents of NIT Campus had assembled infront of the New gate as on the previous night a trench was dugged infront of the Old gate and the said gate was also locked. He has further stated that Prof. U.K. Mohanty was advising the crowd to maintain normalcy and was engaged in defusing the situation. He has opined that had Prof. Mohanty not taken care of the situation, the mob would have turned violent and it would have been difficult to control the situation.

The charged professor is one of many professors of NIT, Rourkela. He was neither in-charge of Director nor was in any administrative post. Even assuming that he received information

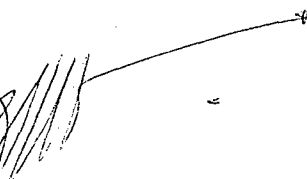

that a crowd had gathered near the new gate, he could have given this information to the police or to the security personal of the campus to take care of the situation. He could have also taken instruction regarding the action to be taken in the matter from the Director-in-charge or the Director who has coming to Rourkela by Tapaswini Express which was scheduled to arrive at Rourkela at 8:00 A.M. But instead of doing that he proceeded to the spot inviting some other professor to accompany him. The situation at the spot according to the charged professor was that the main gate was locked and some persons were standing outside the gate and some are inside the gate. In cross examination, D.W.1 has stated that when the management decided to close the main gate, the shopkeeper of the market situated near the old gate including him, protested such action of the management. But he do not know if some professors, non teaching staff and residents of NIT campus were objecting closure of the old gate. From the evidence of D.W. 1 and from the fact and circumstances of the case it appears that there was a protest over closure of the old gate and the demand of the mob was to open the old gate. The mob could have broke open the lock of the old gate if they had any intention to resort to violence. But instead of that they have locked the main gate by chain and lock at a time when the Director was scheduled to arrive in the campus by his official car to put forth their demand. The Police personnels had

also arrived there. In the fact and circumstances of the case, I am not inclined to believe that without the intervention of the charged professor the situation would have gone out of control.

The learned Counsel for the charged professor submitted that the department has not adduced any documentary evidence and has also not examined the material witnesses like Prof. P.C. Panda who has Director-in-charge and the Director Prof. Sarangi who was also present at the spot to prove the charges. It is submitted that the Department has failed to prove the charges against Prof. U.K. Mohanty beyond all reasonable doubt and hence he submits that the charged professor be exonerated from the charges leveled against him.

On the other hand the learned Counsel for the department submits that the department has successfully proved the presence of charged professor in the crowd and was in possession of key of the gate which is proved by the witnesses and admitted by the charged professor Prof. Mohanty himself.

It is well settled that strict proof is not required in a Departmental Inquiry as in a criminal case. The Department is to establish the charges by ponderance of probability. The evidence adduced by the Department clearly establishes that the charged professor was very much present amongst others at the place of

occurrence and had kept the key of the main gate in his pocket till the Director accepted his demand to open the old gate. This act of the charged officer amounts to mis-conduct and unbecoming of a Professor of NIT.

Since, charges are established against the charged professor, punishment as deemed fit and proper under the circumstances of the case may be imposed on him by the authority as per Rules.

REPORT
ORDER

The brief facts giving rise to this proceeding is as follows:-

That on 31.10.2010 morning the main gate and Jagda gate of NIT, Rourkela were locked preventing the residents from leaving the campus and others including the Director of the Institute from entering the campus. Those persons present there demanded that

ALP
7/2

unless the old gate of the campus is opened, they will not open the new gate. After much negotiation, the Director agreed to open the old gate and thereafter the new gate was opened.

A fact finding committee was constituted consisting of 5 (Five) members, all Professors of NIT, Rourkela headed by Prof. A. Behera as Chairman to look into the matter and to submit a report on probable involvement of any employee in the said incident. The Fact Finding Committee observed that Prof. U.K. Mohanty planned the closure of the main gate and Jagda gate and to implement the same, he invited three faculty members including Prof. S.K. Agarwal and locked the main gate with chain and lock and kept the key in his pocket, till such time the Director accepted his demand to open the old gate.

On the above observation of the Fact Finding Committee, charge sheet for violation of conduct rule and action unbecoming of a Professor of NIT was issued to Prof. S.K. Agarwal which reads as follows:-

- 
- i) "You joined with and assisted Prof. U.K. Mohanty in closing the main and Jagda gates and keeping them closed till such time that the Director accepted his demand to open the old gate compromising the security of the campus."

- ii) You took part in clocking the main gate as well as the jagda gate as reported by the Security Officer basing on reports of the Security Guards deployed in the gates,
- iii) You shouted slogans derogatory to the Institute, a conduct unbecoming of a professor,
- iv) On being successful in opening the old gate, you organized a "victory feast" at the end of the day and communicated your action to the Hon'ble Minister of HRD Government of India.

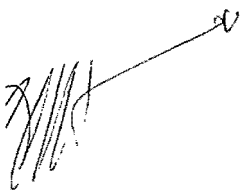

Consequently, you are charged with the offence of obstructing free movement of campus residents, and shouting slogans against the Institute".

Prof. S.K.Agarwal was called upon to submit his explanation to the above charges. The charge Professor in his explanation has denied all the charges framed against him and has pleaded innocence. His case is that he reached the spot at about 9:00 A.M. being called by Prof. U.K.Mohanty and since the main gate was already locked prior to his arrival, he had no role to play in locking the main gate. It is further contended that the slogan used was REC Zindbad and NIT Zindabad, but no slogan against any body or the Institute were allowed after he arrived at the scene at about 9:00 A.M. His further case is that, he got involved in it with the sole purpose of helping in negotiating with the Institute and the District Administration for an amicable settlement.

To bring home the charges against the charged professor, the department has examined two witnesses i.e, Prakash Ku. Bhuyan & Balaram Champati as Departmental Witnesses No.1 & 2 respectively.

The evidence of P.W.1 who was on duty as a security guard at the main gate of NIT, Rourkela from 8:00 A.M. to 2:00 P.M. is that at about 7:00 A.M. some staff member of NIT, Rourkela came near them and asked them as to who had closed the old gate and they pleaded their ignorance to it. Thereafter, those staff after discussion amongst themselves locked the main gate and at that time some persons of the market were also present. He has further stated that Prof. S.K. Agarwal, Mr. Bulu Mohanty, Prof. U.K. Mohanty, Mr. Jagdish Kar, Pro. B.K. Paul, Mr. R.C. Mallick and some staffs of NIT whose name he do not known were present in the gathering. He has specifically stated that Prof. S.K. Agarwal gave slogan "NIT Murdabad REC Zindabad".

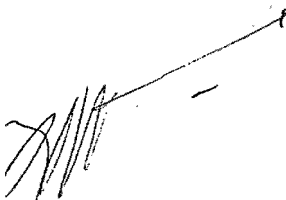

The evidence of P.W.2 Balaram Champatiray, the Security Officer of NIT, Rourkela is that on 31.10.2010 at about 7;15 A.M. Prof. P.C. Panda who was In-charge of Director told him over telephone that Prof. U.K. Mohanty have told him over telephone that he is going to close the new gate and asked him to look into the matter. He immediately contacted the security guard at the

new gate over telephone and enquired about the matter. The Security Guard Prakash Ku. Bhuyan (P.W.1) informed him over telephone that Prof. U.K. Mohanty, Prof. S.K. Agarwal, Prof. B.K. Paul, Prof. S.S. Mohapatra and 15 to 20 non-teaching staff have locked the main gate with their own lock and key whey they refused to give the key of the gate on them on their demand. He has further stated that, he arrived at the new gate at about 8:15 A.M. to 8:20 A.M. and by that time the Director had already arrived near the new gate in his official car. The Director standing outside the gate, requested those persons present inside the gate to open the main gate but they did not listen to him. Those persons were giving slogan as "NIT Murdabad REC Zindabad". He has further stated that after much negotiation, the Director agreed to open the small gate of the old gate and thereafter Prof. U.K. Mohanty gave the key of the main gate bringing it out from his pocked to Mr.R.C. Mallick who opened the key of the new gate. He has also stated that on the same date the people of Kalinga Market and Prof. U.K. Mohanty, Prof. S.K. Agarwal, Prof. B.K.Paul, Prof. S.S. Mohapatra and about 15 to 20 non-teaching staff of NIT, Rourkela arranged a non-veg dinner near the Ram Temple situated near the old gate as their demand to open the old gate has been fulfilled.

Nothing was elicited in cross examination of the witnesses to prove the innocence of the charged professor. On the other hand it was suggested to P.W.1 that the charged professor was not giving slogan as NIT Murdabad and REC Zindabad but was giving slogan only REC Zindabad to which he had denied. By this suggestion the charged professor has admitted that he was giving slogan as REC Zindabad but he was not giving any slogan as NIT Murdabad. P.W.2 Balaram Champatiray has specifically stated in his cross examination that when he arrived there he heard Prof. S.K. Agarwal giving slogan as "NIT Murdabad REC Zindabad" in a loud voice standing near the gate.

The old gate of the campus was functional at the time when the name of the institution was REC, Rourkela. Subsequently, it has been named NIT, Rourkela and the old gate was closed and a new gate was opened as per the decision of the authority. Hence, in all probability the persons gathered there including the charged professor who were dissatisfied for closure of the old gate gave slogan as "REC Zindabad and NIT Murdabad". The name of the Institution has been changed from REC Rourkela to NIT Rourkela long back and hence the plea of the charged professor that he was giving slogan as REC Zindabad only is not believable.

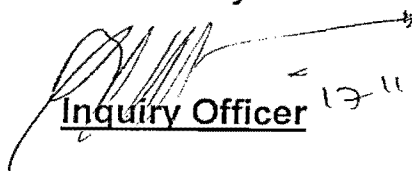

Law is well settled that strict proof is not required in a Departmental Inquiry as in a criminal case. The department is to establish its case by ponderance of probability. The evidence adduced by the department clearly establishes that Prof. Agarwal was very much present in the gathering which is also admitted by him. Though there is no specific evidence that Prof. Agarwal has locked the main gate, his presence in the gathering indicates that he was also a party to the closure of the main gate and was shouting slogan as "NIT Murdabad REC Zindabad". Thus, I hold that the department has successfully proved the charges against the charged professor that he was obstructing free movement of campus residents and was shouting slogan against the Institute.

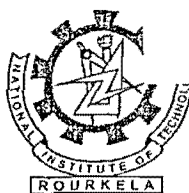

Protesting against the decision of the authority to close the old gate by locking the new gate and giving slogans as "NIT Murdabad REC Zindabad" in an unholy congregation amounts to serious misconduct and unbecoming of a professor of NIT.

Since, charges are established against the charged professor, punishment as deemed fit and proper under the circumstances of the case may be imposed on him by the authority as per Rules.

The draft minutes (Part – I) of 49th meeting of the Senate, provisionally approved by the Chairman, Senate were circulated to all members. Since no comments/suggestions on the correctness of the recording of the minutes have been received from any member, *Senate confirmed the minutes.*

2014-50-Senate-03: Report on Action Taken on the decision of 49th meeting (Part-I) of the Senate held on 16.07.2014 (Wednesday).

The report on the action taken on the decisions made in the 49th meeting (Part-I) of the Senate held on 16.07.2014 was given in the Annexure-A1 for information of the Senate.

The Senate noted the above.

[Annexure - A1, Pg. No. 16]

A. RULES, PROCEDURES, CURRICULA AND POLICY MATTERS:

2014-50-Senate-04: Proposal for modification of eligibility criteria for admission to PhD/ M. Tech (Res) programmes in CY department:

The department of Chemistry proposed to change the eligibility criteria for admission to PhD/M. Tech (Res) programmes of the department.

Existing Criteria: M.Sc. in Chemistry, Physics, or M. Pharm or B. Tech/ M. Tech in Chemical / Ceramic / Metallurgical and Materials Engg.

Proposed Criteria: M.Sc. in Chemistry, Physics, Biochemistry, Biotechnology or M. Pharm or B. Tech/M. Tech in Chemical / Ceramic / Metallurgical and Materials Engg.

The Senate approved the proposed criteria with the following modification:

"M.Sc. in Chemistry, Physics, Biochemistry, Biotechnology, Environment Science or M. Pharm or B. Tech/M. Tech in Chemical / Ceramic / Metallurgical and Materials Engg."

[Annexure-A2, Pg. No. 17]

2014-50-Senate-05: Proposal for certificate formats for different degrees to be awarded in the Convocation:

The first batch of some programmes will be awarded degree in the 12th Convocation and after. Also existing formats in some programmes were needed modification. Such programmes are

- 1) Integrated M.Sc.
- 2) Dual Degree B. Tech & M. Tech
- 3) M. Tech (Cryogenic & Vacuum Technology, Steel Technology, Industrial Engineering)
- 4) M.Sc. (Life Science)
- 5) MBA with Specialization

The Senate deliberated on the draft formats and decided the following:

- 1) **Integrated M.Sc. :** Approved with modification
- 2) **Dual Degree B. Tech & M. Tech :** Formats to be collected from different IITs and to be discussed in the next Senate meeting.
- 3) **M. Tech (Cryogenic & Vacuum Technology, Steel Technology, Industrial Engineering):**
 - a) **Cryogenics & Vacuum Technology:** Students with B. Tech degree in Electronics & Communication and Electronics & Instrumentation will be awarded M. Tech degree in Electrical Engineering with Specialization Cryogenic & Vacuum Technology. For students with EE, ME and CH format is approved.
 - b) **Steel Technology:** Format is approved.
 - c) **Industrial Ceramics:** Department was requested to give its recommendation whether it will be a Multi-disciplinary specialization or not. Chairman, Senate was authorized to approve the recommendation on behalf of the Senate.
 - d) **M.Sc. (Life Science):** Present practice will continue. However, State Public Services Commissions & Union Public Services Commission will be requested to accept M.Sc. in Life Science degree.
 - e) **MBA with Specialization:** Degree certificate format as per present practice to continue. However, Major and Minor specializations as per the courses taken by the students will be mentioned in the grade sheet.

The Senate further decided that the students who have already taken certificates/grade sheets will return the originals and fresh certificates will be issued to them as per the above decision.

A. RULES, PROCEDURES, CURRICULA AND POLICY MATTERS:

2014-50-Senate-10: Report of Dean (Academic) to look into Senate procedure [Deferred Item]

The Draft Senate procedures prepared Prof. S Bhattacharyya, CR, former Dean (AC) along with the suggestions/observations of the Senator were discussed in detail.

The report incorporating the suggestions given by the Senators will be put up in the next Senate meeting for finalization.

[Annexure A7, Page No. 149]

2014-50-Senate-11: Academic medals/awards for the students earned credits from the Institutes/Universities outside NIT Rourkela:

The matter regarding the credits earned by the students under different schemes (Erasmus Mundus etc.) from different universities (mostly foreign) and its effect on academic medals/awards of NIT Rourkela were discussed in detail and following were decided:

- a) *In case of ERASMUS MUNDUS and similar exchange programme, one semester of NIT will be replaced by one semester's work of the outside Institute/University without looking into the contents. However, course-wise equivalent grades will be scaled for calculating CGPA.*
- b) *Equivalence Committee formed for ERASMUS MUNDUS and similar exchange programmes was requested to find conversion formulae to convert grades from American and European systems to NIT Rourkela system. With the same formula credits earned in other Universities will*

be converted to the equivalent NITR grades and CGPA will be calculated accordingly.

- c) The equivalence recommended by the Equivalence Committee will be put up to the Senate or Chairman, Senate on its behalf for approval.
- d) Students will register for S & TW at NIT Rourkela during their stay at Host University in addition to their programme at the host University. Automation Cell will modify Computer programme to accept material sent from outside the Campus. They also need to register and complete Comprehensive Viva-voce at NIT Rourkela.
- e) Students visiting other Institutions/Universities under ERASMUS MUNDUS and similar exchange programmes will be eligible for Academic Medals and Awards.

Accordingly, Equivalence Committee was requested to submit its recommendation at the earliest to the Chairman, Senate for the students already returned back and submitted their certificates from the host universities so that their cases can be considered for Medals and Awards to be given in the 12th Convocation.

The Senate further decided that the students who have already taken certificates/grade sheets will return the originals and fresh certificates will be issued to them as per the above decision.

2014-50-Senate-12: Proposal for the Chief Guest for 12th Convocation:

Chairman, Senate informed that Dr. Srikumar Banerjee, former Chairman, Atomic Energy Commission & Secretary to Govt. of India, Department of Atomic Energy has given his consent to be the Chief Guest for 12th Convocation of the Institute which is scheduled to be held on January 17, 2015.

Senate approved the proposal.

2014-50-Senate-13: Proposal for the Honorary Doctorate / D.Sc. degree to be awarded in the 12th Convocation:

The Senate recommended the names of following eminent persons for the Honorary D. Sc. Degree in the 12th Convocation of the Institute:

- i) Dr. Srikumar Banerjee, former Chairman, Atomic Energy Commission & Secretary to Govt. of India, Department of Atomic Energy.
- ii) Prof. Manindra Agrawal, Deptt. of Computer Science & Engineering, IIT Kanpur.
- iii) Dr. Bansidhar Panda, Industrialist & former Chairman of BOG, NIT Rourkela.

The recommendation should be referred to the BOG for approval.

2014-50-Senate-14: Collection and refund of Convocation gown fee:

The Senate approved the proposal for non-collection of the fee towards Convocation gown from the degree recipients at the time of registration for Convocation. It was further approved that the student who will not return the gown, the required amount will be deducted from the caution money and the caution money will be returned to all degree recipients after the Convocation. The gown supplier will be paid from the Institute for the gowns not collected back.

2014-50-Senate-15: Change of grades for Spring, Summer and Supplementary examinations 2013-14.

The change of grades for Spring, Summer and Supplementary examinations 2013-14, as given in the annexure, was approved by the Chairman, Senate.

The Senate confirmed the approval.

[Annexure A8, Page No. 161]

2014-50-Senate-16: Recommendation of Equivalence Committee for Erasmus Mundus Scheme on the credits and grades earned by four students:

Recommendation of Equivalence Committee for Erasmus Mundus Scheme on the credits and grades earned by four students from different Host Universities was put up for the approval of the Senate. The same was already approved by the Dean (Academic).

The decision has been recorded in the Item No. 2014-50-Senate-11.

[Annexure A9, Page No. 165]

2014-50-Senate-17: List of degree recipients of UG & PG programmes for the 12th Convocation:

The Senate approved the list of degree recipients of UG & PG programmes for the 12th convocation of the Institute as given in the Annexure.

[Annexure A10, Page No. 177]

C. RESEARCH STUDIES:

2014-50-Senate-18: List of degree recipients of Research programmes for the 12th Convocation:

The Senate approved the list of degree recipients of Research programmes for the 12th convocation of the Institute as given in the annexure.

The Senate also endorsed the BOG decision to award degree to the research students (PhD & M. Tech(Res)) who will be completing their programme before the 12th Convocation.

[Annexure – A11, Page No. 200]

2014-50-Senate-19: Recommendation of RPEC on new Enrolment, Provisional Registration, Assignment of Course works, and Registration of PhD and M. Tech(Res) students

On behalf of the Senate, Chairman Senate was authorized to approve the recommendations of RPEC.

2014-50-Senate-20: Results of Ph.D. and M. Tech.(Res) Examinations:

The following Ph.D./M. Tech.(Res) students have been provisionally awarded degrees on approval of the Chairman, Senate. This is for the confirmation of the Senate.
