**2) Recommendation of Departmental Promotion Committee (DPC)-2012 for Officers.**

In its 30<sup>th</sup> meeting the BOG vide resolution No.BOG-30(2012)-11, dt.29.06.2012 adopted the draft recruitment rules put up earlier by MHRD in its web site without any formal order to adopt it. Accordingly, an exercise of departmental promotion (including up gradation (of GP/AGP) was carried out during Non - Dec.,2012. For officers and staff. While implementing the departmental promotion in accordance with provision of this RR, serious anomalies have cropped up, particularly in relation to the posts of Asst. Registrar and SAS Officers. In the meantime several NITs have pointed out a few anomalies in the draft circulated by MHRD. The Ministry has now removed the circular from its web site and is working on a revised RR for non teaching staff.

In view of the above, the following was proposed for consideration of Board.

- 1) The adoption of draft RR vide resolution No.BOG-30(2012)-11, dt.29.06.2012 be kept in abeyance.
- 2) The Institute should wait for a formal direction from the Ministry to adopt a specific RR.
- 3) In the mean time, instead of permitting a vacuum in the regulations, we may follow the report of the committee of Director's (copy enclosed).
- 4) Accordingly the following promotions for officers recommended by the duly constituted selection committee be given effect:

Sl. No.	Name	Designation	Present GG/AGP (Rs.)	GP/AGP (Rs.)
1.	Mr. P. K. Rout	SAS Officer	6000/-	7000/-
2.	Dr. T. R. Patnaik	SAS Officer	6000/-	7000/-
3.	Mrs. Swagatika Sahu	Asst. Registrar	5400/-	6600/-
4.	Mr. B.R. Champatiray	Security Officer	5400/-	6600/-
5.	Sri S. Parhi	Scientific Officer	5400/-	6600/-

*The Board approved the proposal keeping resolution No.BOG-30(2012)-11, dt.29.06.2012 in abeyance and adopting of RR as suggested by directors Committee meeting till the final RR is approved by the Ministry. The Board also approved the proposal for up gradation of the above officers with suggestion that up gradation of Mrs. Swagatika Sahu, Asst. Registrar will be provisional. The above will be effective from the date of approval of BOG i.e. 19<sup>th</sup> December, 2012.*

**[Annexure- A6, Pg. No. 55 -92]**

**3. Resignation of Prof. G. R. Satapathy, Professor (BM)**

Prof. G. R. Satapathy, Professor (BM), vide his letter dated 10<sup>th</sup> January, 2013 has submitted resignation from institute service w.e.f 19<sup>th</sup> January, 2013 (copy enclosed).

With reference to above following facts were put up for consideration of the BOG:-

1. Prof. Satapathy has been absent without any sanctioned leave (except for one month during February, 2012) since 4<sup>th</sup> May 2011 and did not join duty in spite of several requests/advice.
2. A Charge Sheet was issued to him for above long absence on 12<sup>th</sup> December, 2012 which was sent to his Puri and USA addresses and also through e-mail. While the letter sent to the Puri address returned undelivered, other two have not been responded by him.
3. Prof. Satapathy submitted a Joining Report on 10<sup>th</sup> January, 2012, which however has not been accepted by Director for following reasons:-
  - a. The matter of long absence is under consideration of BoG, and
  - b. He has not reported to HOD in person, nor has been given any academic assignment.
4. The letter sent to and returned from Puri was delivered to Prof. Satapathy in person while receiving his resignation letter on 11<sup>th</sup> January, 2013.

**Further, following legal aspects are also put up for consideration of the BOG:-**

1. Leave is not a matter of right. Leave of any kind may be refused or revoked in public exigencies. [Rule – 7 of the CCS (Leave) Rules, 1972]
2. Joining is effective only if the same is permitted/accepted by the competent authority. [Rule – 24(1) of the CCS (Leave) Rules, 1972]
3. Resignation from service may be accepted from officials against whom inquiry / investigation is pending (whether under suspension or not) if :-
  - a. The case does not involve moral turpitude and public claims, or
  - b. The available evidence does not have a base strong enough to lead eventually to any thing higher than dismissal or removal from service,
  - c. Further pursuit of the case may get so protracted as to render acceptance of resignation cheaper for the exchequer.
4. The accepting authority decides the date from which the resignation should become effective.

*The Board considered the proposal for resignation of Prof. G. R. Satpathy, Professor, BM and approved the resignation of Prof. Satpathy w.e.f. 4<sup>th</sup> May 2011 (F.N.) i.e. from the date he left the Institute.*

**Item No.2: Non-submission of results and certificates by the 1<sup>st</sup> semester students of all programmes:**

To

The Director,  
NIT, Rourkela, Odisha

(Sub: Letter of resignation from the post of professor, BM Dept., N.I.T., Rourkela)

(Through proper channel)

Dear Sir,

It took me a while to make the toughest decision of my career on whether to continue with N.I.T., Rourkela or not. After much deliberation, I finally came up with the conclusion that I would not do justice to myself if I continue after going through so much of harassment during my tenure at the Institute. I tried giving my best to the Institute and instead received several obstacles, bureaucratic hassles and inhuman dealings.

This letter may kindly be treated as my resignation from the post of professor, Biotechnology and Medical Engineering department w.e.f 19<sup>th</sup> Jan 2013 and may kindly be accepted. I request you to kindly make arrangements for handing over the office, house and any other Institute item that may be in my possession. I also request you to initiate actions for the final settlement of finances. I now sincerely look forward to listen further from your end.

Thanking you in advance!

## Resignation, Removal and Dismissal

### 1. Resignation

[ Swamy's — Complete Manual on Establishment and Administration and Swamy's — Pension Compilation ]

1. Resignation should be clear and unconditional. It should be submitted to the Appointing Authority in respect of the service or post in question who is competent to accept it.

2. Resignation from service will generally be accepted straightaway.

Exceptions: —

- (a) When the officer concerned is engaged on work of importance and alternative arrangements for filling up the post may take time.
- (b) Officers against whom inquiry / investigation is pending (whether under suspension or not).

3. In cases covered by (a), resignation should be accepted only when alternative arrangements have been made.

In cases covered by (b), resignation will not be accepted if it is in the public interest to pursue the disciplinary case. The Competent Authority may, however, accept the resignation—

- (i) if the case does not involve moral turpitude and public claims, or
- (ii) if the available evidence does not have a base strong enough to lead eventually to dismissal or removal from service, or
- (iii) if further pursuit of the case may get so protracted as to render acceptance of resignation cheaper for the exchequer.

Acceptance of resignation in cases as (b) above, is subject to prior approval of the Minister-in-charge in respect of Groups 'A' and 'B' and Head of Department in respect of Group 'C' employees. In the case of officers of all the Groups in the Indian Audit and Accounts Department, resignation may be accepted by the Heads of Departments as designated by the C. & A.G. of India.

4. In all cases of acceptance of resignation, prior vigilance clearance from the Competent Authority is mandatory and this clearance should be accorded expeditiously.

5. Resignation should not be accepted until all the departmental dues are fully adjusted.

6. The accepting authority will decide the date from which the resignation should become effective.

7. A resignation becomes effective not merely when it is accepted by the authority concerned, but only when the officer is actually relieved of his duties.

8. An official quitting his post before receiving intimation of acceptance of his resignation is liable to be proceeded against both legally and departmentally.

9. A Government servant quitting service on resignation will not be entitled to any pension, gratuity or terminal benefits. He will, however, be paid *suo motu*, cash equivalent to the extent of half of earned leave at his credit on the date of cessation of service, subject to a maximum of 150 days. HPL will lapse.

10. When a Government servant applies for post in the same or another department through proper channel and on selection he is asked to resign the previous post for administrative reasons—

- (i) the resignation will be treated as a "technical formality";
- (ii) the benefit of past service, if otherwise admissible under the rules, will be allowed for purposes of fixation of pay in the new post;
- (iii) leave at credit will be carried forward; and
- (iv) the past service will be counted for pension to the same extent it would, but for the resignation, only in respect of employees appointed on or before 31-12-2003.

A Government servant who had applied for a post elsewhere before joining Government service, should intimate the details of such application as soon as he joins Government service to qualify for the above benefits.

11. A Government servant selected for a post in a Central Public Sector Enterprise / Central Autonomous Body will be released after obtaining and accepting his resignation from Government service. Such a resignation will not entail forfeiture of service for purposes of retirement / terminal benefits. In such cases, the Government servant shall be deemed to have retired from service from the date of such resignation and he will be eligible to retirement / terminal benefits admissible under the relevant rules applicable to him, in his parent organization.

12. Withdrawal of resignation in the following circumstances:—

- (i) *Before acceptance.*— The resignation will be deemed to have been automatically withdrawn and there is no question of accepting the resignation.
- (ii) *After acceptance, but before relief.*— Withdrawal should normally be accepted. If rejected, grounds for such rejection should be recorded and intimated to the Government servant.
