

Workshop on Trends, Challenges, and Standards in Future Electrical Machines (*TCSFEM-2026*)

Speakers:

Prof. Sashidhar Sampathirao,
School of Electrical Sciences, IIT Goa

Mr. Senasinti Aloka Patro,
Director, Apstronics Technologies Pvt. Ltd.

COURSE CONTENTS

- Emerging Trends in Electrical Machines for Sustainable Development
- Standards and Testing of Electrical Machines
- Experimental Demonstration and Hands-on Exposure to BLDC Motor and Drive Systems

scan to register: 

7th March 2026

10.00 AM -12:00 PM

03.00 PM -05:30 PM

Venue: Seminar Hall, EE-401

Coordinator:

Prof. Monalisa Pattnaik, Mentor

Prof. Indrajit Sarkar, Co-Mentor

BIS Student Chapter (EE), NIT Rourkela

Organized By:

BIS Student Chapter and ANRF CRG SSR Activity

Dept. of Electrical Engineering

National Institute of Technology Rourkela,

Rourkela, Odisha – 769008.
