Sub-{Permission to organize a three-day 4th Regional Level Youth Leadership Training and Empowerment Program(YLTEP) for higher education students with disability along with Swabhiman Trust}

Dear Sir,

I have received a mail form the Swabhiman Trust, Bhubaneswar working extensively in the field of Disability for conducting a three-day 4th Regional Level Youth Leadership Training and Empowerment Program (YLTEP) for higher education students with disability at NIT campus, Rourkela. The number of participants would be 25-30 students from the western Odisha districts. Students from NIT Rourkela would be given training free of cost. The proposed dates for the above program are 19-21st September, 2018. In order to expedite the program, the trust seeks infrastructural support (e.g., guest house for lodging and boarding and training venue) for participants from our end. Swabhiman trust will bear all the expenses.

As this is an active area of research by the faculty members of the Department of Humanities and Social Sciences and other departments of NIT Rourkela as well, such program would add value to the visibility to the departments in particular and the institute In general. Your kind permission to organize this event in our campus is highly solicited.

Thanking You

Sincerely

Dr. Ramakrishna Biswal
