Mandatory form to fill up online

Registration for PAMI-Bio 2026 Workshop: Plant-Microbe Interactions in Biotechnology at NIT Rourkela

Register for the 5-day workshop (April 7–11, 2026).

Participation is free, but accommodation and food expenses must be borne by the participants.

Deadline: March 20, 2026. Confirmation by email on March 21, 2026.

Full Name (as per academic records)

Current Email Address (for confirmation and correspondence)

Mobile Number (including country code)

Current Affiliation/Institution Name

City and Country of Affiliation

Select your current participation status:

If you are a Master's or PhD student, what is your specialization/field of study?

Attach your detailed Curriculum Vitae (CV) / Resume (PDF only)

Write-up: Proposed Futuristic Requirement/Expectation from the Workshop (Maximum 500 words). *This critical essay will be evaluated for your selection. Focus on how this workshop aligns with your long-term research goals in Plant-Microbe Interactions and what specific knowledge/skills you hope to gain.*

Do you confirm that you will bear the expenses for your accommodation and food during the 5-day workshop duration?

How did you hear about the PAMI-Bio 2026 Workshop?

Please indicate your level of familiarity with key topics in Plant-Microbe Interactions:

No Familiarity

Basic Knowledge

Intermediate

Expert/Working Level

Rhizosphere Signaling

Microbial Genomics and Metagenomics

Plant Immunity and Pathogenesis

Biotechnology Applications (e.g., Biofertilizers)
