

Registration form

Interested participants are required to send the scan copy of the Registration Form, and Payment details to masantamanoj.ce@gmail.com

Name: _____

Gender: ☐ Male ☐ Female

E-mail ID: _____

Contact No.: _____

Category: ☐ Industry and R&D Personnel
☐ Faculty
☐ Research Scholar/Student
☐ Technical staff

Organization: _____

Payment Details:

Rs. _____ Date of Transaction: ____/____/____

Transaction ID: _____

Signature of the Applicant: _____

OR

Use the following **link/QR** code for registration.

Address for Communications

Dr. Manoj Masanta,

Associate Professor, Dept. of Mech. Engg.

Email: masantam@nitrkl.ac.in

Mob. No.: +91-8249105802/ +91-8270364552

ABOUT US

National Institute of Technology (NIT), Rourkela, was founded as Regional Engineering College, Rourkela, in 1961, and declared as an institution of national importance by the act of parliament in 2007. The mission of the institute is to become an internationally acclaimed institution of higher learning that will serve as a source of knowledge and expertise for society and be a preferred destination for undergraduate and postgraduate studies. It is a prestigious Institute with a reputation for excellence at both undergraduate and postgraduate levels, fostering the spirit of national integration among the students, close interaction with industry and a strong emphasis on basic and applied research. NIT Rourkela has ranked 19th, 34th, and 30th in NIRF Engineering, Overall, and Research for the year 2024, respectively.

The **Mechanical Engineering Department** is one of the oldest departments being set up from the date of inception of the institute in the year 1961. The department offers five specializations under M. Tech degree and has more than hundred Ph.D. research scholars enrolled. The department is well equipped with infrastructure to meet the requirements of UG, PG courses and to carry out advanced level research work. The major area of research in the department are mechanical vibration, robotics, Additive Manufacturing, Composite materials, Tribology, nonconventional manufacturing, Surface Engineering, CFD, Industrial refrigeration and Cryogenics. The department at present has over one hundred research scholars in working on different areas. Numerous R&D projects sponsored by Government agencies and private industries like BRNS, DST, ARDB, BRFST, ISRO, DRDO are being pursued by various faculties of the department.

Five-days online Workshop on

Metal Additive Manufacturing: Recent Progress and Future Opportunities

During
7th -11th July 2025

Organized by

Department of Mechanical Engineering
National Institute of Technology Rourkela,
Odisha-769008

www.nitrkl.ac.in

Coordinator

Dr. Manoj Masanta

Associate Professor, Dept. of Mechanical Engg.

Co-coordinators

Dr. Rudranarayan Kandi

Assistant Professor, Dept. of Mechanical Engg.

Dr. Anshuman Patra

Assistant Professor, Dept. of Metallurgical & Materials Engg.

Objective

Metal Additive Manufacturing (MAM), also known as metal 3D printing, is a cutting-edge manufacturing technology that builds functional metal parts with complex geometries, directly from CAD models through layer by layer deposition technique. As the technology continues to evolve, it is poised to play a transformative role in the future of manufacturing, enabling more sustainable, customized, and efficient production strategies.

The **objective** of this workshop is to provide participants with a comprehensive understanding of metal additive manufacturing (MAM) technologies, including their principles, processes, materials, and applications, and to equip them with the knowledge necessary to implement MAM techniques in research settings and industrial application. The course aims to bridge between the theoretical knowledge and practical experience, enabling learners to design, fabrication, and evaluation of metal AM components. This course will be useful to the UG and PG students, research scholars, faculties and practicing engineers associated with the mechanical, manufacturing, metallurgical, and biomedical engineering.

Course content

The course will cover but not limited to

- Introduction and significance of metal AM
- Laser based metal AM methods : Selective Laser Melting (SLM), Selective Laser sintering (SLS), Direct Energy Deposition (DED)
- Weld based AM process like, WAAM, PBF-AAM
- Electron Beam Melting (EBM)
- Hybrid AM techniques for metals
- Materials for metal AM: Metals and alloys, Refractory metals & high entropy alloys, MMCs
- Post processing & characterization of MAM parts
- Demonstration of MIMICS materialize software for reverse engineering
- Demonstration of SLS process

Prospective Resource Persons

Prof. Murugaiyan Amirthlingam, (IIT Madras)
Prof. Varun Sharma (IIT Roorkee)
Prof. Suvradip Mullick (IIT Bhubaneswar)
Prof. Muvvala Gopinath (IIT Hyderabad)
Prof. Yubraj Madhukar (IIT Indore)
Prof. Jasvinder Singh (PEC, Chandigarh)
Prof. Chinmaya Kumar Sahoo (NIT Silchar)
Prof. Debasis Chaira (NIT Rourkela)
Prof. Ajit Behera (NIT Rourkela)
Prof. Prasoon Kumar (NIT Rourkela)
Prof. Manoj Masanta (NIT Rourkela)
Prof. Anshuman Patra (NIT Rourkela)
Prof. Rudranarayan Kandi (NIT Rourkela)

Organizing committee

Patron

Prof. K Umamaheshwar Rao
Director (NIT Rourkela)

Chairman

Prof. Saroj Kumar Patel,
Head, Department of Mechanical Engineering

Coordinator

Dr. Manoj Masanta,
(Dept. of Mechanical Engineering)

Co-coordinator

Dr. Rudranarayan Kandi
(Dept. of Mechanical Engineering)

&

Dr. Anshuman Patra
(Dept. of Metallurgical & Materials Engg.)

Student Members

Mr. MD Aseef Khan (+91-9748161658)
Mr. Dikshyanta Sahoo (+91-9861758234)
Mr. Debasis Patel (+91-63708 34258)
Mr. Sambit Swain (+917873748094)

Important Guidelines

- ❖ UG PG students, Research scholars, Faculty members, and Technical Staff-members of different academic institutes and Industry personnels are eligible to apply for the workshop.

❖ Registration Fee (Including GST):

UG, PG Students, Research Scholars: **Rs. 600/-**

Faculties/Technical Staff : **Rs. 1000/-**

Industry and R&D Personnel: **Rs.1500/-**

❖ Mode of Payment:

Online payment should be made in favor of:

Account Name: **CONTINUING EDUCATION NIT ROURKELA**

Payable Bank: **State Bank of India**

Branch: **NIT Campus, Rourkela-769008**

Account No.: **10138951784**

IFSC Code: **SBIN0002109**

MCIR No.: **769002007**

SWIFT Code: **SBININBB137**

❖ NB:

- There is no registration fee for the participants from the **host institute (NIT Rourkela)**.
- Incomplete registration-form (without details of online transaction) will not be considered.
- Registration fee is non-refundable.
- **E-Certificate** will be provided for the candidates attending all the sessions.
- Online joining link(s) through Google-meet/MS-Team will be shared in due course.
- **Last date of registration: 30th June 2025**
