About The Workshop

Objective of the Workshop

The workshop is being organized to develop an understanding among present and future entrepreneurs, researchers and marketers about various aspects of Intellectual Property Rights employed in Brand Building of an entity they either have launched or going to launch in near future. Besides it, the workshop is also looking forward to educate and groom faculty members about various aspects of IPR and sustainable branding to enable them to pass on the learnings to their students, research scholars and peers.

Target Audience

The target audience for the workshop are students having an urge to become future entrepreneurs, existing marketers, faculty members aspiring to learn and share knowledge for upbringing of future entrepreneurs in their students, and research scholars aspiring to gain knowledge required for fetching intellectual property rights for their inventions.

About The Institutes

About CIPAM

CIPAM (Cell for IPR Promotion and Management) is a professional body under the aegis of Department for Promotion of Industry and Internal Trade (DPIIT). It is doing commendable job in ensuring focused action on all the issues pertained to IPRs, namely disseminating IPR awareness, simplifying and streamlining IP processes, and commercialization and enforcement of IPRs.

About NIT Rourkela

With a vision to become an internationally acclaimed institution of higher learning that will serve as a source of knowledge and expertise for the society and be a preferred destination for undergraduate and graduate studies, NIT Rourkela has been constantly striving to serve the society since its very inception in 1961. At present, it ranks 271-280 in QS World University Asia Ranking-2022 and 801-1000 in THE World University 2022 and steadily progressing to achieve all the epitomes of world level recognitions.

About School of Management

School of Management was established in 2010 and has been progressing in leaps and bounds since then. A two-year MBA, a regular Ph.D. and an Executive-Ph.D. are the programs it presently offers. The real strength of the school is its faculty members who continuously strive to give their best in - inculcating skills in pupil managers, providing consultancies to the organizations, and developing independent researchers in research scholars.
